

What are the different styles/models available?

Hannibal Safari have two different models and five sizes of roof top tent within those models. The sizes are:

1.2m | 1.4m | 1.6m | 1.8m | 2m wide

The two models are the Classic and the Jumbo with the Jumbo also having the option of either a three-wall kit or a four-wall kit with vinyl floor (Tourer spec).

We are one of the only producers of Australian Made traditional-style canvas foldout roof top tents using Australian Dynaproofed Canvas from Wax Converter Textiles. Our tents are made here in Australia and we are accredited with the Australian Made campaign.
