Cassy's Tale is a story about a cassowary chick from the moment she hatches. Accompanied by her proud and loving father she enjoys the first steps in her life.

Joyfully she learns to walk and discovers her powerful legs as she jumps to catch a butterfly.

Dad shows Cassy how to push through dense rainforest and takes the opportunity to explain about the destruction caused by cyclones. Now the rainforest has grown back again and she is happily following a trail of colourful berries.

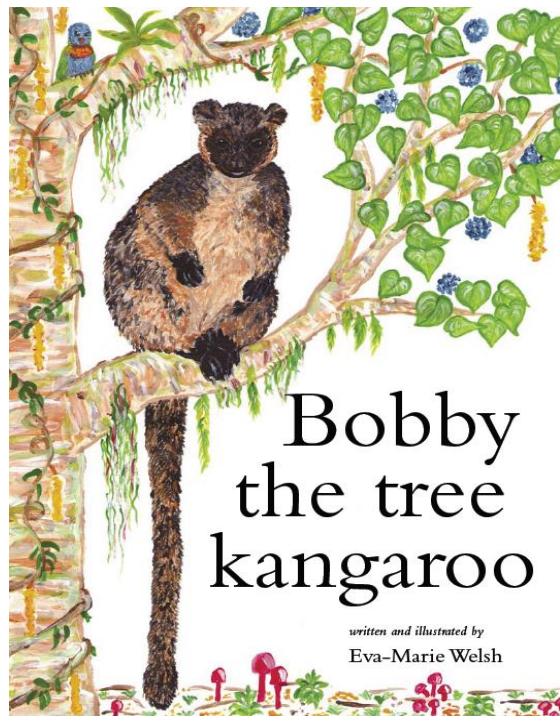

The illustrations include pythons, green tree frogs, a frogmouth owl, rainbow lorikeet, a flying fox, Cairns Birdwing and Ulysses butterflies, a Kingfisher and Sulphur Crested cockatoo as well as many tropical rainforest plants including Licuala palms.

Where is Croaky? Is the tale of a green tree frog as he looks for his friend in different environments including a down pipe, toilet cistern and pots and pans.

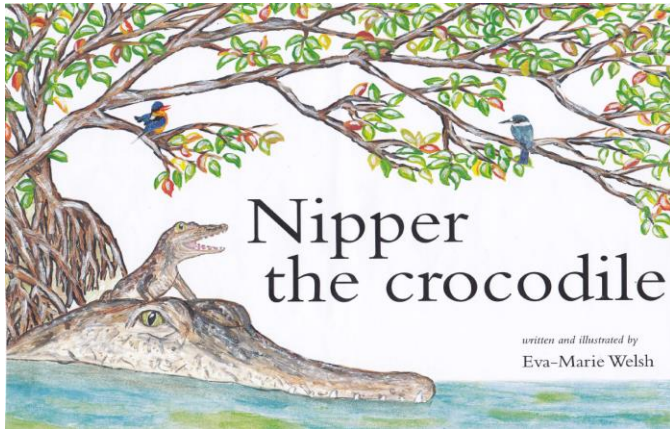

The illustrations include green tree frogs, a gecko, and Rainbow lorikeet, Cairns Birdwing and Ulysses butterflies, a Kingfisher and caterpillars as well as many tropical rainforest plants including the Licuala palms.

Cassy from previous book, *Cassy's Tale* , also makes an appearance

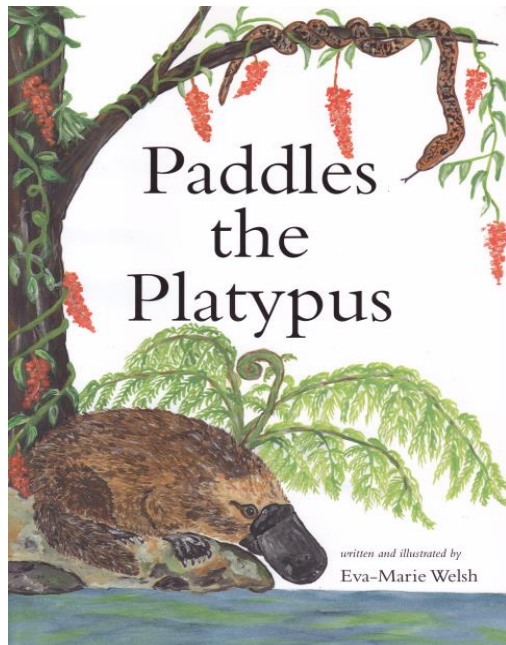

Bobby the tree kangaroo is a tale about a tree kangaroo joey learning to climb trees. There is no shortage of encouragement from the time of being in the safety of his mother's pouch to accomplishing this big step in life.

The illustrations include a python, green tree frogs, a frogmouth owl, a cassowary, Rainbow Lorikeet, Cairns Birdwing and Ulysses butterflies, a Kingfisher and Sulphur-crested cockatoo as well as many tropical rainforest plants including the Licuala palms, Cassy and Croaky from previous books, *Cassy's Tale* and *Where is Croaky?* , also make an appearance.

Nipper the crocodile is a story about a mother crocodile guarding over her nest, the crocodile babies hatching, the careful carrying of the hatchlings to the water by their mother with Nipper having a special ride in his mothers mouth, finishing the day off at sunset along side the mangroves.

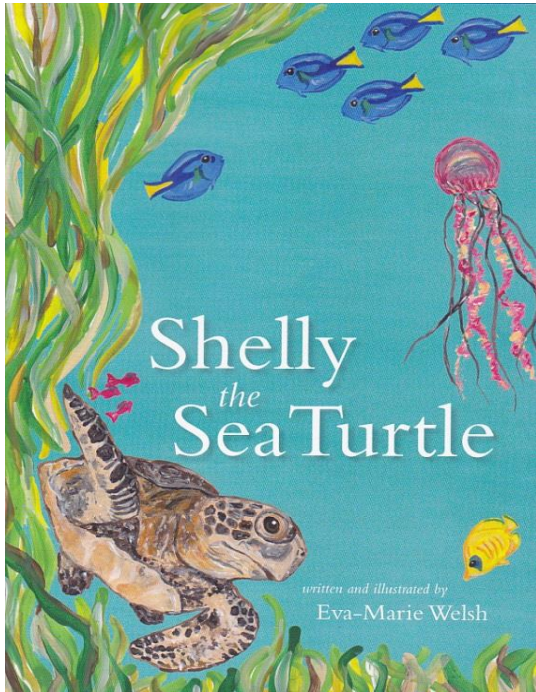

The illustrations include Cairns Birdwing and Ulysses butterflies, Kingfishers, Rainbow Lorikeet, Orange Clawed Fiddler crab, Heron and Cassowary as well as Cassy and Croaky from previous books *Cassy's Tale* and *Where is Croaky?*, also make an appearance.

Paddles the Platypus is about a platypus mother to be searching for the right place to lay her eggs.

The characters from previous books are reintroduced and wonder about the unusual mammal, which is only partly visible until later in the story.

The book also features the platypus burrow and the babies.

Shelly the Sea Turtle is about a green sea turtle which hatches from her egg and goes off to explore the ocean.

She finds many interesting things including a shipwreck. The story also goes into that she will return later to lay her own eggs where she had hatched.

The illustrations include Cassy and Nipper from previous books.
