

REFRIGERATION CLEANING & PROTECTION PACK

REMOVES BLOCKAGES & ODOURS

PERMANENTLY REMOVES ORGANIC MATTERS THAT CAUSE BLOCKAGES & ODOURS

Suitable for domestic and commercial refrigeration cabinets & freezers, closed & open refrigeration cabinets and all cool rooms & freezer applications

PRODUCT OVERVIEW

Surface Cleaner is designed to provide a simple one step clean & sanitise solution for hard surfaces in HVAC&R systems including cool rooms, AHU walls, high wall unit plastics, drain pans, fans, refrigeration, and other hard surfaces.

Surface Treatment is a product for use in treating walls, floor, ceilings of air-handling rooms & high wall unit plastics preventing the growth of bacteria and fungi for up to 12 months.

Multi-Enzyme Condensate Pan tablet is an advanced multi-functional composition containing specifically selected enzymes & biocides to prevent biofilm formation in condensate drain pans and drain lines.

- ✓ Food safe & biodegradable
- ✓ Prevents blockages & odours
- ✓ Complies with AS/NZ 3666 microbial control
- ✓ 12 month warrantyⁱ
- ✓ Australian made

REFRIGERATION CLEANING & PROTECTION PACK

REMOVES BLOCKAGES & ODOURS

DIRECTIONS FOR USE:

The products in this pack are designed for cleaning domestic and commercial refrigeration cabinets and freezers, closed and open refrigeration cabinets, cool rooms and freezers and any other hard surfaces that are not in direct contact with food.

- Spray Surface Cleaner sol. directly on the affected surface and wipe off using a clean cloth or sponge (microfiber cloth best practice). All surfaces excluding electrical components can be cleaned and sanitised.
- Shake Surface Treatment aerosol well throughout application. Hold can approx. 20cm from surface to be treated and spray entire surface ensuring even coverage.
- Using metal tie attach Condensate Pan Tablet to the area that will be in contact with condensate so that only part of the bottom of the tablet will be in contact with water.

✓ Protection from Mould, Fungus and Bacteria

✓ Readily Biodegradable

✓ pH Neutral, Non-Caustic
