

CONDITIONER BARS

Our Hemp conditioner bars are calming, soothing & a little indulgent. Made from plant-derived ingredients so you can love your locks and the planet all at the same time. Our bars work best on normal to dry hair, and are perfect for the eco-conscious traveller. And what's more - it's not just for your hair, it can also be used for shaving

- Revitalise, moisturise & replenish your hair
- Dual-Use - Conditioner bar & for shaving
- May last 4x longer than liquid
- Perfect for travel - easy to pack with no more spills.
- No parabens or sulfates

PET SHAMPOO

Easy to use and long lasting

We love our pets looking and smelling clean, MINUS the nasty chemicals & plastic waste! Just natural ingredients that are perfectly crafted to gently moisturise, clean & replenish the natural balance & shine of your pet's coat and skin.

PET BALANCE
Hemp/Chia Seed Oil

Hemp Collective's Pet Balance Hemp seed oil & Chia seed oil is crafted with all-natural plant-based ingredients to deliver a unique combination of protein, saturated fats (The good ones), fibre and calcium, ensuring you get all the benefits of hemp your pet deserves.

These important ingredients are well known for their anti-inflammatory, anti-fungal & antibacterial properties.

HEMP PET BALM

Hemp Collective's premium Pet Balm is packed with the power of natural soothing & nourishing ingredients.

Apply the balm topically to target specific areas that may need extra attention such as sore cracked paws, or skin conditions.
