

meet your
BEST PERIOD

LET US INTRODUCE YOU TO THE FIX.

A range of supplements that deliver active relief from period symptoms from cramps and mood changes to breakouts and bloating.

We're tested on real periods, with real results.

AUSTRALIAN MADE AND OWNED, TGA CERTIFIED, VEGAN,
NOT TESTED ON ANIMALS, GMO FREE, GLUTEN FREE.

The fix[®]

The Fix is Australia's first ever period supplement company. A range of supplements that revolutionise menstrual health, born from the idea that periods are normal, but symptoms needn't be.

Developed in partnership with leading Australian chemists and R&D specialists, our products are tailored to specific period symptoms, providing active relief from period pain, cramps, mood swings, bloating and skin breakouts.

The Fix range is evidence-based solutions for your period. With all products certified by the TGA, Vegan, GMO and Gluten free and all made right here in Australia.

Available exclusively at all Priceline stores across Australia and online at both; thefixcompany.com.au and priceline.com.au/brand/the-fix

We want to give you... the girls, women and people who menstruate, the permission to talk about your often unbearable symptoms and deliver the solutions you need. Period.
