InvisiGarde®
YOUR GERM SHIELD

NEW!

AUSTRALIAN MADE AND OWNED

FOAMING HAND SANITISER
# & SHIELD

Australian Lemon Myrtle Fragrance

Does your hand sanitiser protect you all day with one application?

Australin Owned and Manufactured InvisiGarde® Foaming Hand Sanitiser & Shield uses our Tri-Quat® technology to kill bacteria and create a barrier **Germ Shield** protecting you for **up to 24 hours**[*]. Our formula is alcohol-free and gentle on hands. The average cost is 7c per pump, approximately 15-21c per day, compared to some alcohol-based hand sanitisers cost up to 96c per day for similar protection and are harsh on skin.
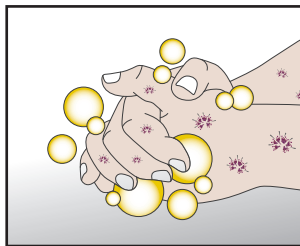

TRI-QUAT® TECHNOLOGY
LONGER PROTECTION ✓

Pack Sizes Available:
50mL Pump Bottle
150mL Pump Bottle
500mL Pump Bottle
5L Bottle
20L Drum

24 Hour Action Against Bacteria[*]

Apply foam to hands like you would with other hand sanitisers.

Rub hands until dry. InvisiGarde® Hand Sanitiser will take longer to dry than alcohol based hand sanitisers.
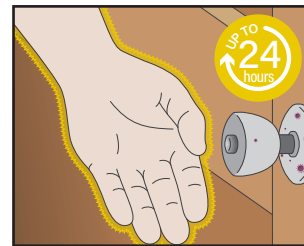

Your hands now have a Germ Sheild, protecting you for up to 24 hours.

InvisiGarde® helps protect you throughout your day wherever you go.

Killing the germs you touch.

Helping to reduce the transfer of germs.

* Providing up to 24 hours of residual activity for bacteria.

✓ Kills 99.99% of germs. **Alcohol-Free**. ✓ Gentle on skin. **Contains Aloe Vera**. ✓ Contains **Australian Lemon Myrtle Essential Oil**.

PERSONAL

Safe for the family and gentle on skin. Pleasant smelling while protecting you for longer.

WORKPLACE

Protect your staff and customers. Once applied it helps reduce the transfer of germs by killing the ones you touch.

HOW TO USE

InvisiGarde® Foaming Hand Sanitiser is an effective, alcohol-free way to kills germs while providing up to 24 hours of residual activity for bacteria.

Directions for Use:

1. Apply foam to hands like you would with other hand sanitisers.
   (One pump from 150mL and 500mL or two pumps from 50mL)

2. Rub hands until dry.
   Note: InvisiGarde® Hand Sanitiser will take longer to dry than alcohol-based hand sanitisers.

3. Your hands now have a germ shield, protecting you for up to 24 hours.

How to use the InvisiGarde™ range

Product	Use 4 Hourly	Use Daily
Foaming Hand Sanitiser & Shield	Apply every 4 hours if your hands are exposed to water or chemicals, which have the potential to make you shed skin more quickly.	Apply daily

For 7 or 28 day surface protection check out InvisiGarde® Anti-Bacterial Cleaner & Surface Shield and Hospital Grade Disinfectant Spray & Surface Shield.

WHERE TO USE

SMALL PUMP BOTTLES
The smaller 50mL and 150mL bottles are perfect for personal and family use. Easy to carry pump packs, the 50mL provides up to 125 applications (pumps). That's 3-4 months of protection if applying once or twice a day. The 150mL can be kept on the kitchen bench, handbag or when travelling.

LARGER PUMP BOTTLES
The larger 500mL pump pack is perfect for including in your business for customers and staff to use. This pump pack provides approximately 500 pumps. That's less than 2c per application based on recommended retail price. Refill with one of our 5L or 20L bulk packs.

BULK PACKS
Be prepared and top up your smaller pump bottles as required. Ideal for businesses and large families.
