**PFA202**  
Bramton

A great schoolyard, park, picnic or garden setting. Our Australian design and manufactured picnic settings with back support are suitable for a range of activities, from parks to schools and beach fronts. This model is wheelchair access friendly.

The standard setting with back support will handle heavy use on any playground or park, and benches have a walk through design for easy entry and exit. Backrests provide added comfort, with superior UV performance preventing chalking or fading. These settings are curved for comfort and engineered for strength.
