

KURRAGLEN

At Kurraglen Industries, we are passionate about designing and manufacturing Australian made livestock handling equipment.

Being a small family owned business, we can keep our overheads low and pass on the savings to you, our customer.

Being farmers ourselves, we have a pretty good idea of what makes good livestock handling equipment.

Our stable of Australian made equipment includes:

- Farmhand Sheep & Goat Handlers
- Farmhand Plus Sheep & Goat Handlers
- Alpaca Crushes
- Llama and Alpaca Combo Crushes
- Sheep & Goat Drafting Gates
