Make ————— Space ————— Work

Tetra

A photograph of a modern, minimalist dining or meeting area. In the foreground, a white, curved plastic chair with four thin, chrome-plated metal legs is shown. To its right, a portion of a round white table is visible, supported by a single, thick, chrome-plated metal pedestal. The floor is a dark wood-look laminate. The background is a plain, light-colored wall.

Tetra

Workspace Tetra Disc Table provides a solution for situations where style and economy are not mutually exclusive.

With its base in stainless steel or polished chrome finish, this table is a perfect fit for commercial breakout spaces where maximum space efficiency is required. With a range of occasional tables and meeting tables there is sure to be a Tetra Disc table to suit all requirements.

Couple a Tetra Disc table with a booth or lounge for a simple yet effective breakout setting, or use two Tetra Disc bases for a rectangular meeting table.
