

About us

Scrumptious pet delicacies made by hand from the local and freshest ingredients with an amazing amount of flavour choices. We are proud to announce all our products have no preservatives or additives and are all Gluten free.

Whether it is your pets birthday, Adoption Day Celebrations, Pet Play Dates, Easter or Christmas we can make a cake or treats they will love. ❤️

Catering specially for Dogs, Cats, Rats, Ferrets & Lizards within the Perth area, we will not only make your cake and treats but also decorate your cake to perfection for your pets special day.

We have been making our delicacies since 2013 when we found out our late Great Dane furbaby Scoobs was Gluten intolerant. Scoobs's friends are our biggest critiques and Scoobs wore the badge of our Chief Taster with pride.
