P2 RESPIRATOR

DISPOSABLE | FLAT FOLD | EARLOOPS

DIRECTIONS FOR USE

Step 01: After washing hands, remove mask from packaging.

Step 02: Press mask against face and place earloops over ears.

Step 03: Push nose guard securely down for a tight fit.

FitGrips

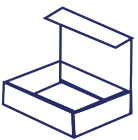

Each 25-pack contains 10 FitGrips which reduce ear strain for prolonged use and achieve a tighter fit on the face.

MATERIAL COMPOSITION

- Layers: Polypropylene (PP) and cotton
- Earloops: Spandex
- Nose clip: PP coated twin wire
- Free from latex

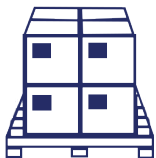

PACKAGING

25 masks
per box

24 boxes
(600 masks)
per shipper

20 shippers
(12000 masks)
per pallet
