Trevu

The Trevu Lounge family is the ultimate utility chair for all Aged Care environments. Available in both single seater arm chair as well as a 2 and 3 seater lounge configurations. Trevu's classic lines are matched by comfort and ease of use. Angled arms provide stability for access and egress by the user. The Trevu family can be completely customised to suit any application with complete versatility for all aged care or health care areas. The Trevu lounge can be customised through two-tone fabric selections, choice of stain frame finishes and choice of fixed or loose back.
