

REMER

AUSTRALIAN MADE

# CUSTOM MIRRORS

# Crafted to perfection, designed for you A mirror that reflects not just your image, but your individuality.

Designed and crafted in Melbourne, Remer custom redefines personalisation, allowing you to shape your ideal mirror.

With precision engineering and premium materials, our Australian-made mirrors transcend functionality, becoming a statement of sophistication and innovation.

Your space is unique – now your mirror can be too.

## THE REMER CUSTOMER EXPERIENCE

**1.** Choose your Remer mirror shape, size, lighting, features, and add-ons, following the steps within this brochure.

**2.** Fill out a custom order form and submit it to an authorised Remer reseller for a personalised quote.

**3.** Once received, your Remer reseller will forward on our quote for your approval.

**4.** Once approved, Remer will craft your Australian-made mirror in our Melbourne factory.

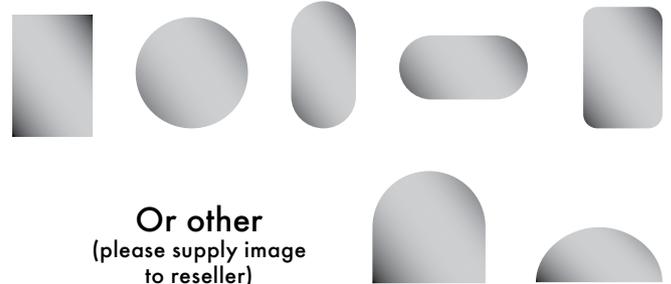

**Australian  
Made with  
Acrylic Light  
Diffuser to  
enhance your  
mirror.**

## TAILORED TO YOUR NEEDS

**STEPS FOR YOUR CUSTOM ORDER:**

Submit a completed form to your Remer authorised retailer. For retailers in your area please visit our store locator on [remer.com.au](http://remer.com.au). Remer will provide your retailer with pricing & purchasing information within 3 business days. Once your Australian Custom Mirror order has been confirmed, we will begin manufacturing your mirror at our Melbourne warehouse.

One form per design. Remer assumes no responsibility for incorrect information provided on this form, please ensure you review prior to submission. Custom orders cannot be cancelled, altered, exchanged, or refunded once your order has been confirmed and begins manufacturing. Bulk orders and any additional customisation may increase the manufacturing lead time, speak to the sales team for more information. 1 Year warranty on all custom orders, 5 year warranty on Modubox see our website for more information.
