aged 2 to 17

Lack of sleep does not only consist of not being able to fall sleep, it also includes struggling to stay asleep during the night, as well as the feeling of waking up from a long night's sleep, yet still feeling tired.

To help with these problems, we created the DEEP SLEEP NATURAL PERFUME range.

This sleep range uses the healing properties of aromatherapy essential oils as a base and is created with 100% natural ingredients, made in Australia.

INGREDIENTS

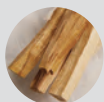

Lavender

Calms breathing, relieves feelings of stress, irritability and nervous tension, encourages sleep

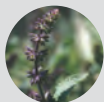

Frankincense

With its warm and spicy scent, it is a grounding oil that calms the mind and slows the breath, providing a wide range of benefits including relaxation and sleep

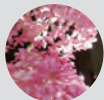

Sandalwood

A proven relaxant, decreasing anxiety, calming the nervous system, and assisting with better quality sleep

Patchouli

Eases anxiety and stress, as well as hormones that regulate sleep cycles

Geranium

Balances hormones, relieves stress and depression, reduces inflammation and irritation, improves overall circulation

Mandarin

Helps to promote restful sleep, effective for soothing restlessness, and hyperactivity in children

Petitgrain

Eases feelings of tension, calms the nervous system, and promotes restful sleep

Sweet Orange

Brings positive and happy emotions to the mind and helps to release anxiety, effective in assisting with insomnia

Vetiver

Sooths anxiety, insomnia, fatigue, depression, and inability to concentrate or remember

Cedarwood

It is known for its sedative qualities and usefulness in treating insomnia

OXFORD SCIENTIST PROOF

MIRACLE PLANT DEEP SLEEP NATURAL PERFUME has been assessed by Dr. Sherman Fung, an Oxford scientist and overseas fellow of the Royal Society of Medicine. Results from the clinical study of more than 250 candidates show that this product can scientifically improve sleep quality:

Consumer Behavior Score	For Every Body	For Her	For Him	For Mature
Fall Asleep Faster than Usual	88%	94%	93%	82%
Felt Calm and relaxed	94%	97%	86%	74%
Has a peaceful night's sleep	94%	94%	86%	74%
Liked the fragrance	100%	100%	93%	88%
Would recommend to others	100%	100%	96%	82%
*Overall integrated score with PSQI**	80%	94%	90%	82%

*The analysis of overall integrated score, the treatment group had a significant improvement in sleep quality after our aromatherapy perfumes' treatment as compared to before and background control.

**The study conducted a cross-validation clinical comparison through a simple and accurate Pittsburgh Sleep Quality Index (PSQI).
