FABRIC SELECTION

VersoTela Fabrics

All VersoTela fabrics come standard with a suite of high-end specifications, such as, antimicrobial coating, mold resistance, scratch resistance and fire resistance.

Our wide range of collections each boast unique properties that are carefully designed to suit every customer's needs. Whether it be built for use in a care facility, or as a functional but stylish addition to the living room, our VersoTela fabric options are sure to tick all the boxes when it comes to crafting your perfect chair.

Please get in touch with one of our friendly sales representatives for fabric samples and to find out more about which fabric is right for you.
