

6in1 DISINFECTANT & CLEANER

Magic 6in1 Disinfectant & Cleaner is a commercial grade disinfectant spray and a concentrate cleaner that breaks tradition by harnessing the power of a naturally derived Surfactin^{1,2}. This Surfactin^{1,2} is a powerful biosurfactant³, from uniquely sourced probiotic bacterium.

Our 6in1 Disinfectant & Cleaner Concentrate effectively breaks down dirt, F.O.G. (fats, oils, grease), struvite and germ cells so they can be washed away. Rather than using poisonous chemicals or chlorine and bleach to kill germs. This one-of-a-kind product breaks tradition by uniquely combining our naturally derived Surfactin^{1,2} with other bio-surfactants³ and Thymol⁴, a natural disinfectant. Making it a powerful, environmentally friendly, cleaner, disinfectant, and degreaser, requiring minimal PPE.
