

MOULD STOP PAINT

15 YEAR ANTI-MOULD GUARANTEE

Leading Edge Coating & Treatment Ideal for Mould Prone Areas

- Prevents Mould Growth
- Long term results
- Flat white, tintable to light colours

PRODUCT OVERVIEW

Designed specifically to inhibit mould growth on interior surfaces, Mould Stop Paint is an advanced, innovative formulation with MouldGuard™ technology.

Mould Stop Paint provides a block and barrier to mould growth, inhibiting bacteria and fungus growth on the surface of the coating.

This unique formulation is an ultra low VOC, low odour product in both raw and applied states.

This unique benefit allows application of the product as required and does not need to be done after hours.

- ✓ Australian made
- ✓ Safe for the applicator
- ✓ Performance solution
- ✓ Ultra Low VOC's
- ✓ For all interior surfaces

PRODUCT NOTES
