# Danish Bar Stool

Amongst the most coveted mid-century pieces ever produced, Workspace Commercial Furniture (formerly TH Brown) is proud to be remaking the TH Brown Danish Bar Stool. The first in Workspace's new Origin's Collection, the Danish Bar Stool unveils a boutique collection with commitment to Australian design and manufacturing.

In partnership with the third generation of TH Brown's family, we're bringing this iconic stool into the 21st century, while enhancing sustainability and durability. Produced by Workspace, in partnership with the relaunched TH Brown™ brand, all products are hand finished to the same exacting standards as the originals.

Continuing Workspace's commitment to craftsmanship, each stool comes with a ten year warranty, is individually numbered, with a certificate of authenticity, and features a range of fine Italian leathers and premium timbers.

These unmistakable pieces are not replicas, but a thoughtful evolution of TH Brown's original vision, remade for 2017.
