Seb Gotch has just joined the Southern Cross Cricket Team! The talented keeper batter has worked his way up through the Victorian system and currently plays for both Victoria and the Melbourne Stars.

Seb is moving into his fourth consecutive Big Bash season as part of the Stars and will be looking to kick on from what was a successful campaign for him in BBL|08, where he picked up handy runs when out in the middle. Seb has been a consistent Big Bash performer and has become a solid part of the Stars team in the 18 BBL games he has played, having hit 279 BBL runs at a strong strike rate of 108.31.

The right-hander has shown good promise in recent seasons in 50 over cricket, posting a first-class half-century for Victoria to suggest some bigger scores will come with more opportunities with the bat. Seb has also solidified his proficiency in red ball cricket with back to back tons against the Blues and the Bulls to finish the 2019/20 Shield season.
