

**Magic Hotplate Restorer is Australia's original product, formulated in 1979 to restore solid hotplates to their black lustre. Still a favourite today, the built-in applicator makes restoring and protecting solid cast iron hotplates from rust easy.**

Many household cleaners can damage cast iron hot plates, causing them to rust and lose their black lustre. Magic Hotplate Restorer is Australian Made & Owned, environmentally responsible, and packaged in a 100% recycled plastic bottle.

### FEATURES:

- ① Restores Black Finish
- ② Prevents Rust, Flaking and Pitting
- ③ Built-in Applicator

### BENEFITS & POINT OF DIFFERENCE

- Built-in Sponge for Easy Application
- Australia's Original and Favourite Since 1979
- Australian Made & Owned

### HANDY HINT:

Use Magic All Metal Polish to polish the stainless steel rims to a brilliant shine.

### Customer Reviews

*As with years past, its still the best thing to clean and renew your hotplates."*

**-Rodney Parnell**

### Customer Reviews

*"I have been using Magic Hotplate Restorer for 18 years and just love this product. It always makes my Stanley combustion stove look brand new when applied to the cast iron hotplate. I also received great service over the phone when ordering and love that it is Australian owned."*

**-Kerrie M**
