

FOR
NEW COILS

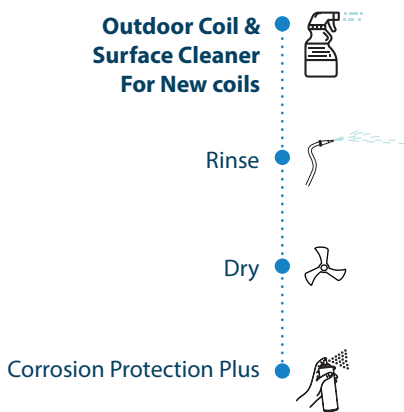

OUTDOOR COIL & SURFACE CLEANER

FOR USE ON OUTDOOR HVAC & R COILS

OUTDOOR COIL & SURFACE CLEANER

- Removes processing oils deposited during the manufacturing process
- Requires no specialised disposal when rinsed from coils and surfaces
- Highly concentrated solution

For best practice and optimal results¹ - pair with AerisGuard Corrosion Protection Plus as below:

PRODUCT OVERVIEW

AerisGUARD Outdoor Coil & Surface Cleaner For New Coils is formulated to remove the wide variety of materials that build up on condenser coils and associated surfaces over time. With maintenance being key in extending asset life the product not only provides a time and cost effective solution to cleaning, it is also the optimal surface preparation for **AerisGUARD Corrosion Protection Plus**.

- ✓ For use in OEM or other applications for new coils
- ✓ Cost effective solution for surface preparation
- ✓ Non-corrosive
- ✓ Biodegradable

PRODUCT NOTES

i. Refer to SDS-020 AerisGUARD™ Outdoor Coil and Surface Cleaner and IFU 005

FOR
NEW COILS

OUTDOOR COIL & SURFACE CLEANER

FOR USE ON OUTDOOR HVAC & R COILS

FEATURES

- Specifically formulated to remove all processing oils and lubricants, used during manufacturing of heat exchange coils
- Validated against a number of processing oils and lubricants currently used by a range of OEM manufacturers globally
- Completely biodegradable & washes down the drain safely
- Can reduce the need for heavy duty pressure cleaning
- Compatible with all metal surfaces

BENEFITS

- Validated system efficiency improvements up to 35% of power use
- Meets DA19 guidelines for maintenance
- Saves time with no detailed preparation required
- Easy to use & safe in all working environments
- Will not damage or corrode heat exchange coils
- Easy and safe to transport
- Provides ideal preparation for **AerisGuard™ Corrosion Protection**

PREPARATION

Product Code	Description	Dilution Rate	Application Rate
AG-NCSC-5	Outdoor Coil & Surface Cleaner for New Coils 5L	Makes up to 100 Litres	Specific to application; please refer to IFU 035 or IFU038 for OEM applications
AG-NCSC-20	Outdoor Coil & Surface Cleaner for New Coils 20L	Makes up to 400 Litres	
AG-DEGC-200	Outdoor Coil & Surface Cleaner for New Coils 200L	Makes up to 4000 Litres	

-  **CLEANS**
-  **PROTECTS**
-  **OPTIMIZES**
