

# EXPEDITION 134

The Expedition 134 General Purpose box was designed as part of a series of premium storage products for the outdoors and marine environments. As users wanting something better, we have designed a weather sealed storage box with a range of extra features needed by those in the Outdoors.

- 55 litre volume
- External Dimensions:  
(578mm L x 440mm W x 345mm H)
- Internal Dimensions (Tapers down to base)  
Top: (501mm L x 381mm W x 288mm H)  
Base: (497mm L x 356mm W x 288mm H)
- Tough - lid loadings up to 120kg
- Lockable
- Weather sealed
- Stackable
- Works with turnbuckles, ropes and straps
- Available in black, grey, olive green & safety orange
- Smooth flat floor and interior walls for easy cleaning
- Won't pool water on lids
- No protruding parts
- No metal parts to rust or rattle
- Nests when empty to save space
- Stacks on both Australian and International pallets for easy deployment, full or empty
