PRODUCT COLLECTION

STANDARDS & CERTIFICATIONS

HOSPITAL GRADE

ARTG (Australian Register of Therapeutic Goods) listed products are a range of goods that make specific claims that can be lawfully supplied in Australia. These products are commonly used in hospitals, nursing homes, dentists and healthcare.

BIODEGRADABLE

Products are biodegradable or decomposable, which is ecologically beneficial for our environment. The majority of Northfork products are biodegradable.

PHOSPHATE FREE

Products do not contain any phosphates. Excess phosphates in waterways can lead to algae growth & the reduction of available oxygen for aquatic life. The majority of Northfork products are phosphate free.

SEPTIC TANK SAFE

The majority of Northfork products are septic tank safe, as long as they are used in accordance to the directions specified on our labels.

GECA

The GECA Certification is the most authoritative Certification currently available.

This Certification is increasingly being mandated on products used by government bodies & medium to large corporations who are wishing to make 'good environmental choices'. GECA Certified products must meet the independent criteria set out by the Good Environment Choice Australia to ensure products that are certified meet a high standard of environmental responsibility.

GREEN POWER

GreenPower provides businesses & other organisations with a proactive way of reducing their greenhouse gas emissions & lessening their impact on the environment. Businesses that purchase GreenPower are also helping to drive renewable energy investment in Australia over & above mandatory government requirements, are helping to create jobs in the Australian renewable energy sector & are supporting local suppliers who provide services to accredited generators.

Only products that meet the rules & guidelines of the Government's GreenPower Program can carry the GreenPower 'tick' logo. So if you see that tick, it's a guarantee that our GreenPower products are fully accredited by the Government.

AUSTRALIAN MADE

The majority of Northfork products are made in Australia, manufactured in our Queanbeyan facility. We also source the majority of our raw materials locally, supporting Australian jobs & families.

631080700	Oven & Grill Cleaner	3 x 5L
631080800	Oven & Grill Cleaner	1 x 15L
631080718	Oven & Grill Cleaner - Non Caustic	3 x 5L
631089900	Oven & Grill Cleaner Decanting Bottle	12 x 750ml

CREAM CLEANSER

- Specially formulated for use on enamel stoves, stainless steel sinks, benches, tiled areas, shower recesses, chrome fixtures & enamel baths & basins
- Gently polishes & shines most hard surfaces without harsh scratching
- Very little water required to rinse off product

Directions for use: Use neat.

Product Code	Description	Size
631134000	Cream Cleanser	12 x 500ml
631130500	Cream Cleanser	12 x 1L

FOOD SURFACE SANITISER

- Formulated for effective sanitation in food service operations
- When used correctly, surface does not require rinsing
- Kills a broad spectrum of bacteria in 60 seconds
- Quaternary Ammonium based sanitiser

Directions for use: Sanitation of Food Preparation Surfaces: Add one capful (17g) of product to 5 Litres of water. Transfer dilution to spray bottle. Spray cleaned surfaces with diluted product and leave to dry. The surface should be exposed to the dilution for at least 60 seconds. No further rinsing of surface is required. **Sanitation of Eating & Drinking Utensils:** add one capful (17g) of product to 5 litres of water in a sink or bucket. After cleaning and rinsing utensils, immerse in dilution for at least 2 minutes. Drain without rinsing and let utensils air dry.

Product Code	Description	Size
631090400	Food Surface Sanitiser Ready to Use	12 x 750ml
631090700	Food Surface Sanitiser	3 x 5L
631099900	Food Surface Sanitiser Decanting Bottle	12 x 750ml

TIP: Once diluted, our Food Surface Sanitiser shelf life is seven days.

LIME & SCALE REMOVER

- Removes scale build-up from the inside of dishwashing machines, urns & jugs
- Helps prolong life & maintain maximum performance of Bain-maries (double boilers)
- Removes deposits from shower heads, taps & mineral deposits from toilets
- Suitable for stainless steel, aluminium, hospitals & laboratory glassware

Directions for use: Fill tank to between 5cm and 7cm below the overflow. Add 4 litres of product and run machine until the scale disappears. Apply full strength product directly to areas of the machine where spray does not reach. Use an abrasive pad or similar to remove heavy scale build-up that is loosened by product. Drain tank and refill with fresh water. Run machine for 5 minutes then drain and refill. **Descaling Urns:** Fill urn jacket with hot water and add one cupful of product per 5 litres of water. Bring to boil and then let stand for 15 minutes. Drain urn and rinse thoroughly with fresh water.

Product Code	Description	Size
631100700	Lime & Scale Remover - Citric	3 x 5L

FAT & GREASE REMOVER

- High-foaming, market leading food service degreaser that emulsifies animal fat, grease & grime from floors, equipment & walls
- Safe to use on all washable hard surfaces, rinses free to leave no residue or film
- Colourless & perfume free
- Ideal for cleaning kitchen filters & extraction hoods above stoves
- Excellent for removing body fats & soap scum from shower cubicles & baths

Directions for use: General cleaning: dilute 1 part product in 30 parts hot water. For heavy soiling dilute 1 part product to 5 parts hot water.

Product Code	Description	Size
631110700	Fat & Grease Remover	3 x 5L

FRIDGE & MICROWAVE CLEANER

- Removes fat & grease from microwaves & fridges
- Cleans, sanitises & deodorises
- Suitable for food preparation areas & surfaces
- Eliminates odours

Directions for use: Use neat.

Product Code	Description	Size
631290400	Fridge & Microwave Cleaner	12 x 750ml

STONE & HARD SURFACE SPRAY

- Non acidic & non abrasive
- Cuts through grease & grime
- Ideal for granite, marble & reconstituted stone surfaces

Directions for use: Use neat.

Product Code	Description	Size

CARTRIDGE DISPENSING SYSTEMS

Each 1000mL high capacity refill cartridge delivers 0.4mL per pump for up to 2500 washes. Cartridges are quick & easy to reload, which is a major time saver. Each time you replace the cartridge you replace the pump & this means no mess & no drips. The cartridge empties fully which saves on wastage. Our Skin Care Cartridges are sealed to ensure the product cannot be contaminated by air-borne bacteria.

UNIVERSAL LIQUID/FOAM/GEL DISPENSER

- Cartridge doesn't come into contact with the dispenser, removing the possibility of contamination.
- Cartridge shrinks & empties to the last drop – no spillage, no waste.
- Cartridges are changeable within seconds. With a lockable dispenser.
- Dispenser made from resilient white ABS plastic with an attractive, high gloss appearance.
- Dimensions: height 275mm width 118mm, depth 110mm

Product Code	Description
635129800	Universal Dispenser 0.4ml
635129784	Universal Dispenser 0.8ml
635129785	Universal Dispenser 0.4ml Smoke

AUTOMATIC DISPENSER

- Dispenser automatically dispenses measured amounts of product, simply by placing hands underneath
- Cartridge shrinks & empties to the last drop ensuring no waste

A photograph of a commercial laundry facility with several large industrial washing machines. The machines are stainless steel with large circular doors. The background shows more machines and a red wall.

LAUNDRY & FABRIC WASHING

LAUNDRY & FABRIC WASHING

LEMON GRASS LAUNDRY POWDER

- Powerfully lifts & removes grime, dirt & stains
- Combine alkaline actives & water softening agent
- Suitable for use in industrial, commercial & domestic laundries
- Medium sudsing powder
- Ideal for all garment types, towels & blankets
- Not recommended for silks or woollens
- For best results, use with hot water
- Product is generally safe with colours, however it is advisable to check for colourfast
- Contains Optical Brighteners for bright colours & whiter whites.

Directions for use: Prepare solution by dissolving ½ cup of laundry powder in ½ bucket (5L) of hot water.

Product Code	Description	Size
636020823	Laundry Powder Blue Lemon-grass Fragrance	15kg

COUNTRY FRESH LAUNDRY POWDER

- Powerfully lifts & removes grime, dirt & stains
- Combine alkaline actives & water softening agent
- Suitable for use in industrial, commercial & domestic laundries
- Suitable for top & front load machines
- Read and follow garment washing instructions
- Wash colours separately. Best results obtained in hot water
- Test for colour fastness before using
- Not recommended for silks or woollens
- Do not add chlorine bleach

Directions for use: Add powder to your front and top loading machine as directed below, add clothes, select wash cycle then start your machine.

Front Loader: Normal Soil 20G/KG - Heavy Soil 60G/KG

Top Loader: Normal Soil 30G/KG - Heavy Soil 40G/KG

Product Code	Description	Size
636161500	Country Fresh Laundry Powder	9kg Pail

LAUNDRY LIQUID

- Industrial strength & biodegradable laundry detergent
- Leaves clothes & linen clean & smelling fresh
- Contains optical brighteners to enhance fabric colour
- Read and follow garment washing instructions.
- Not recommended for silks or woollens
- Test for color fastness before using

Directions for use: For a full washing load of 5-6kgs and normal soiling use 1/2 cup of product. For heavy soiling use 3/4 cup.

Product Code	Description	Size
636053800	Laundry Liquid	3 x 2L
636050700	Laundry Liquid	3 x 5L

FABRIC SOFTENER

- Added to the final stage of the laundry cycle, ensures garments are left feeling soft
- Makes ironing easier
- Leaves a fresh floral fragrance

Directions for use: For industrial washing machines with automatic dosing, set dosage rate to 60-100ml per 50kg. For household washing machines, follow machine instructions. For 5-6kg loads add 1/4 cup (65ml) of fabric softener, adjusting amount for larger or smaller loads.

Product Code	Description	Size
636060700	Fabric Softener	3 x 5L

BLEACH

- A traditional liquid chlorine bleach for use in laundries
- Great for white linen & garments
- An effective bacterial & mould killer
- 4% hypochlorite

Directions for use: For laundry stain removal and to whiten: dilute a cup (250mL) of product in a plastic bucket (10L) of cold water then immerse stained items for 10 minutes before normal wash. For hard to shift stains increase the quantity of product and/or soak for longer.

Product Code	Description	Size
636080700	Bleach	3 x 5L

OXYGEN BLEACHING POWDER

- Safely removes tea, coffee & food stains from china, plastic, glass & urns
- Non-abrasive granular destaining powder with stable oxygen bleach that removes stains from surface
- Can be used as a laundry booster when added directly to hot wash

Directions for use: Prepare solution by dissolving cup of bleaching powder in bucket (5L) of hot water. Immerse stained articles in solution for a minimum of two hours, or overnight for stubborn stains.

Product Code	Description	Size
636091600	Oxygen Bleaching Powder	10kg

Tip: Can also be used as a laundry pre-soak for stain removal

LAUNDRY POWDER FLORAL FRAGRANCE

- Suitable for both top loader & front loader machines
- Powerfully lifts & removes grime, dirt & stains
- Contains Optical Brighteners for bright colours & whiter whites

Directions for use: Add powder to your front and top loading machine as directed:

Front Loader: Normal Soil 20G/KG - Heavy Soil 60G/KG

Top Loader: Normal Soil 30G/KG - Heavy Soil 40G/KG

Product Code	Description	Size
636014100	Laundry Powder Tub	4 x 2.5kg

SPECIALTY
&
INDUSTRIAL

TRUCK, TRACTOR, CAR & 4WD WASH

- Premium cleaner for vehicle exteriors
- Cleaner & Degreaser
- Highly concentrated formulation designed specifically for removing dirt, bugs, road grime, mud, oil and exhaust soot from trucks, tractors, car exteriors, heavy machinery and most exterior washable surfaces.
- Low foaming formulation

OPTIONS

The background of the page is a close-up photograph of several large, vibrant green leaves. The leaves are layered, with some in the foreground and others behind, creating a sense of depth. The lighting is bright, highlighting the veins and textures of the foliage. In the center of the page, there is a large, vertical rectangular frame with a white border and a dark green fill. Inside this frame, the text "GECA CERTIFIED PRODUCTS" is written in a clean, white, sans-serif font, centered both horizontally and vertically.

GECA
CERTIFIED
PRODUCTS
