"I discovered Amacyn at the Rocks Markets in Sydney and now I'm hooked! I love that they use all natural ingredients and with such beautiful scent combinations it is sometimes often difficult to choose a favourite. "I accidentally dropped by this brand during the VIVID SYDNEY when I was trying to figure out what am I going to have for dinner and OGM all of their fragrances are natural and organic which I was so obsessed. One of my favourite of their fragrances is the 'I AM STRONG' which is so citrusy and refresh that gives me a very cheerful day. They also have the moisturiser-ish cream with the same scents. I use the cream as a base before applying the perfume so the fragrance can last longer. LOVE IT SO MUCH."
