

In our home, amidst
a sea of lavender and
vines, we are inspired
to create products that
showcase the bounty
of our amazing land

Maine Beach is an Australian owned brand, born of a deep love of the land and all that it provides.

Gratitude and respect for Australia's unique geography, botany and history are at the heart of every collection and product that we create.

OUR STORY

Founder, Nigel Treliving started his first production business in 1978 and began exporting products in 1982. His industry knowledge and expertise combined with his passion for Australian

botanicals, has underpinned his success over the past 40 years. Nigel launched Maine Beach in 2010.

Featuring hero Australian ingredients which are sourced from regions around Australia, harnessing the heritage and experience of premium growers and producers.

The Maine Beach Collection includes sumptuous Bodycare and Home Fragrance products in six ranges, presented in luxurious embellished gift packaging.

Bodycare and home
fragrance collections
that harness nature's
goodness and evoke
all the senses

OUR COMMITMENT

Our commitment is to create ranges of premium bodycare and home fragrances with quality ingredients and design.

Presented in beautiful, tactile and alluring packaging, the Maine Beach Bodycare and Home Fragrance Collections embody our belief that beauty can elevate our lives and well-being, both on the outside and within.

Goodness is inherent in our products.

The Maine Beach range is free from:

- Parabens
- Sulphates
- Artificial Colourants
- Mineral Oils
- Petrochemicals

We strive to craft quality formulations that are 'skin kind' with no nasties, utilising key certified organic ingredients to offer the best benefits for your skin and body.

Luscious orange
with lemon rind
from the orchards
of the fruitful
Riverland

RIVERLAND ORANGE

This refreshing collection contains the finest orange and lemon oils sourced from the orchards surrounding the iconic Murray-Darling Rivers through Sunraysia and Riverland regions. Sourced from the oldest and most experienced distillers of the area, the citrus oils are cold pressed, blended and purified to ensure the highest quality of fragrance.

THERAPEUTIC BENEFITS

Cold pressed oils retain all their flavour, aroma and healthy antioxidants making them especially great for skin care. These orange and lemon zest oils are brimming with antioxidants that are thought to rejuvenate your body and mind-easing stress and lifting fatigue.

PACKAGING

Fully lined circular box shapes and packs are adorned with engraved style botanical illustrations and burnished coppery foil embossed onto a bespoke textured vanilla cream stock. These are combined with cream metal pump bottles and tubes and the copper metallic tin.

FRAGRANCE

Be transported to a lush, orange grove with this rich citrus fragrance with uplifting accents of grapefruit, Italian lemon zest and lime rising from a heart of fresh, juicy orange oil and mandarin. A whisper of white lily and exotic ylang ylang add to its seductive depth.

ORGANIC LIGURIAN HONEY OF KANGAROO ISLAND

From the oldest bee sanctuary in the world, the hallowed Ligurian honey

ORGANIC LIGURIAN HONEY

This collection contains the rich, organic honey sourced from the world's sole remaining pure strain of Ligurian bees on South Australia's Kangaroo Island. In homage to the bee's European origins, the range is enlivened with the tangy scent of Italian blood orange.

THERAPEUTIC BENEFITS

This Kangaroo Island Ligurian Honey range harnesses the soothing and healing properties of honey, well-known to the ancient civilisations. The rare, pure honey of the Ligurian bees is prized for its hypoallergenic, moisturising, antiseptic and potent antioxidant properties.

PACKAGING

Hexagonal pack shapes, Italianate scrollwork and lithographic detailing is paired with textural white stock, gold foil and embossing. The metal pump bottles and tubes are cool marble white with metallic gold accents.

FRAGRANCE

Fresh, uplifting fruit-driven scents of Italian blood orange rise from the mellow, subtle heart of sweet honey and white flowers on a base infused with complex vanilla.

MT MACEDON ROSE WITH ORGANIC ROSEHIP OIL

A romantic bouquet, inspired by the lush, fragrant gardens of Mt Macedon

MT MACEDON ROSE

Embodying the timeless appeal of roses and inspired by the magnificent gardens of the Mt Macedon region in Victoria, this contemporary collection is infused with imported certified organic rosehip oil and perfumes with rose fragrance.

THERAPEUTIC BENEFITS

Certified organic rosehip oil serves as the hero ingredient and is a rich source of Vitamin A and antioxidants. Deeply hydrating and nourishing, rosehip oil is thought to help repair and regenerate damaged skin, while helping to correct dark spots and uneven pigmentation.

PACKAGING

Pale blush pink packaging is adorned with textural woodcut rose illustrations and embellished with raised rose gold foil and accents of cool glossy grey. The metal pump bottles and tubes are also presented in blush colours while the embossed metal tin has a rose metallic finish matching the metal candle lids.

FRAGRANCE

A voluptuous fragrance of exquisite rose with top notes of delicate spice over luscious rose with crushed citrus leaves on a base of vanilla, amber and patchouli.

TASMANIAN LAVENDER

Handpicked from
Tasmanian fields,
the relaxing and
serene lavender

TASMANIAN LAVENDER

Capturing the timeless scent of pure organic Lavender oil, distilled by artisans from hand-picked flowers at the Port Arthur Lavender Farm in the south eastern peninsula of Tasmania, this collection balances tradition with the contemporary.

THERAPEUTIC BENEFITS

Lavender is among the world's most versatile essential oils due to its antiseptic and soothing qualities. The fragrance of lavender is believed to calm the mind and promote sleep. Our formulas provide moisture, to replenish the skin and restore suppleness.

PACKAGING

Gloss metal pump bottles, tubes and embossed metal tins combine with the milk white, textured packaging. All carry the leonine state symbol of Tasmania encircled with pale mauve lavender sprigs. Lavish embossing and foiling complete the luxurious experience.

FRAGRANCE

This classic and well-balanced scent has lingering middle notes of lavender on a warm spicy base of patchouli and cassis, brightened with crisp refreshing top notes of grapefruit, Italian lemon and cypress.

LORD HOWE ISLAND ORGANIC COCONUT & TAHITIAN LIME

Inspired by the idyllic island life of Lord Howe Island

LORD HOWE ISLAND WITH ORGANIC COCONUT AND TAHITIAN LIME

Inspired by the lush sub-tropical haven of Lord Howe Island, a world heritage listed site lapped by the waters of the South Pacific, this exotic collection carries the seductive scent of coconut and fresh lime.

THERAPEUTIC BENEFITS

Our certified organic coconut oil is deeply hydrating and readily absorbed. Coconut oil is known to hydrate the skin and help to improve its elasticity and collagen production. Brimming with antioxidants such as Vitamin E and Vitamin A, coconut oil is also thought to slow down

the ageing process. Lime essential oil is considered invigorating and may help promote mental clarity and encourage creativity.

PACKAGING

The packaging features a vertical palm tree embellished with typography reminiscent of nautical maps on a sandy bed of textured cream stock highlighted with embossed, shimmering bronze foil.

FRAGRANCE

Zesty top notes of Tahitian lime and bergamot intermingle with sweet orange flowers whisked on a sumptuous rich base of coconut crème and vanilla bean.

OUR PACKAGING

At Maine Beach, we consider packaging paramount to our principle of not just providing protection but creating packs that are beautiful and rich in visual and sensory detail. Linking the individual stories of our Collections, the contents and the benefits of our products adds to the experience, knowledge and enjoyment.

The box packaging is made from durable rigid art-card making them ideal for overseas travellers - or to treasure. Our packs, tins and glassware are recyclable but are envisaged as being retained as keepsakes, re-utilised or re-imagined.

ACCOLADES

We are honoured to have been acknowledged and awarded for our efforts in crafting beautiful graphics and packaging by:

- Australian Graphic Design Association (AGDA) Awards 2012, 2013, 2015, 2017 and just recently again in 2019.
- Graphis, New York Logo Design, 2016
- HBA International Package Design Awards, New York 2012 and 2014

CANDLES

- Hand poured soy blend with double cotton wick
- Approximately 55 hours burn time
- Fragrance, colour, burning habits and environmental conditions affect burn time
- Trim wick to 6mm and ensure they're upright prior to relighting. Snuff, retrim and relight every 1 ½ hours when burning candle for long periods
- Place candle on a stable, flat and heat resistant surface
- Keep away from children, pets and flammable materials
- Never leave a burning candle unattended
- Burn for a minimum of an hour and max 3 hours to prevent tunnelling
- Blow your candle out gently or use a candle snuffer

HAND & BODY WASH

- Contains mild and gentle foaming agents
- Suitable for all skin types
- Use in conjunction with hand & body crème and body mousse for best results
- Free from parabens, sulphates, mineral oils and artificial colourants

HAND & NAIL CRÈME

- Medium weight crème
- Easily absorbed
- Nourishing for hands and cuticles

BODY & ROOM FRAGRANCE SPRAY

- Use as personal fragrance or as an aromatic mist for your home or car
- Spray and let fragrance settle
- Convenient 100ml bottle which is suitable for air travel

HAND & BODY CRÈME

- Light formulation
- Non greasy
- Great for normal skin
- Use in conjunction with hand & body wash and body mousse for best results
- Free from parabens, sulphates, mineral oils and artificial colourants

BODY MOUSSE

- Heavy weight mousse
- Rich thick texture
- Great for dry skin
- For use on cracked hands and feet

DIFFUSER

- 3-4 months life upon opening (based on a 25 sq metre room with ceiling height of approx. 2.6m)
- Lasts longer in cooler temperatures with minimum drafts
- Most diffusers have up to 70 ingredients which vary and can effect shelf life
- Turn the natural reed sticks regularly for bursts of fresh fragrance
- Ensure the reeds do not have contact with anything. The oils may stain fabrics if left touching.
- For best results store at or below 20°C

LIP LUSTRE

- Natural vegetable base (castor oil)
- For best results, warm in the palm of hands to aid dispensing in cooler months
- Shea Butter may feel gritty initially but acts as a mild exfoliant before softening into lips

SHELF LIFE OF BODYCARE PRODUCTS

- 6 months once opened
- Keep out of sunlight
- For best results, store in cool dry place below 22°C
