

RAINBOW LN1669

Fast Drying Cleaner for Glass and Hard Surfaces

RAINBOW LN1669 is suitable for cleaning glass, plastics, laminates, tiles, chrome and stainless steel.

RAINBOW LN1669 dries fast to leave a smear free film.

RAINBOW LN1669 has antistatic properties to reduce the attraction of dust after cleaning. It is safe on tinted film. Do not use on upholstery, painted surfaces or car duco.

CHEMICAL AND PHYSICAL PROPERTIES

Appearance:	Blue, clear liquid, with a pleasant odour
Flash Point:	Non-flammable
pH (1% solution):	6 – 8
Specific Gravity:	1.0

DIRECTIONS FOR USE:

Apply by trigger spray.

Hold hand sprayer approximately 20 cm from surface to be cleaned and cover surface with a light spray.

Then wipe surface immediately with microfiber cloth or towel to leave a streak free finish.
