# About OH! Care

Premium Daily Dental Care  
100% Australian Made

**Who We Are:** OH! Care Dental is a premium, 100% Australian-made and owned oral care brand created for everyone who wants to feel fabulous from the inside out. We believe a healthy mouth sparks a healthy body and a confident smile. Our products turn daily oral care into a luxurious, nurturing ritual that leaves you feeling fresh, hydrated, and empowered.

**Our Unique Ingredients:** We harness the power of science-backed heroes like hyaluronic acid (which hydrates like nothing else, holding up to 1000 times its weight in water to soothe and repair), xylitol (to fight cavity-causing bacteria naturally), and gentle plant-based refreshers such as peppermint and spearmint. Every formula is thoughtfully crafted to hydrate gums, strengthen teeth, and support your overall wellbeing.

**Our No Nasties Promise:** No nasties, full stop. We banish harsh stuff like SLS, triclosan, alcohol, parabens, and titanium dioxide that can irritate or disrupt your mouth's natural balance. Instead, we choose clean, gentle, plant-based ingredients that work in harmony with your body. Vegan friendly, kind to you and the planet.

All our products are proudly Australian made, vegan friendly, and free from animal-derived ingredients. Say hello to oral care that feels as good as it works!

# h2 Toothpaste

## Gentle Whitening & Hydrating Toothpaste

Transform your brushing into a restorative ritual. Powered by nano-hydroxyapatite to remineralise enamel and reduce sensitivity, plus hyaluronic acid to hydrate and soothe gums. Leaves teeth stronger, smoother, and radiant while keeping things gentle and free from harsh additives. Your smile deserves this daily glow-up!

**Ingredients** Aqua (Water), Xylitol, Hydrated Silica, Glycerin, Hydroxyapatite (nano), Propylene Glycol, Hyaluronic Acid, Polysorbate 20, Potassium Sorbate, Sodium Benzoate, Xanthan Gum, Peppermint (Mentha piperita) Oil, Siraitia grosvenorii Fruit Extract (Monk Fruit Extract), FD&C Blue No. 1 (CI 42090), FD&C Yellow No. 6 (CI 15985).

Full of our favourite heroes: nano-hydroxyapatite for enamel strength and repair, hyaluronic acid for deep hydration and gum comfort, xylitol for natural cavity protection, and refreshing peppermint oil. No nasties, just pure care for your smile.

# h2 Mouthwash

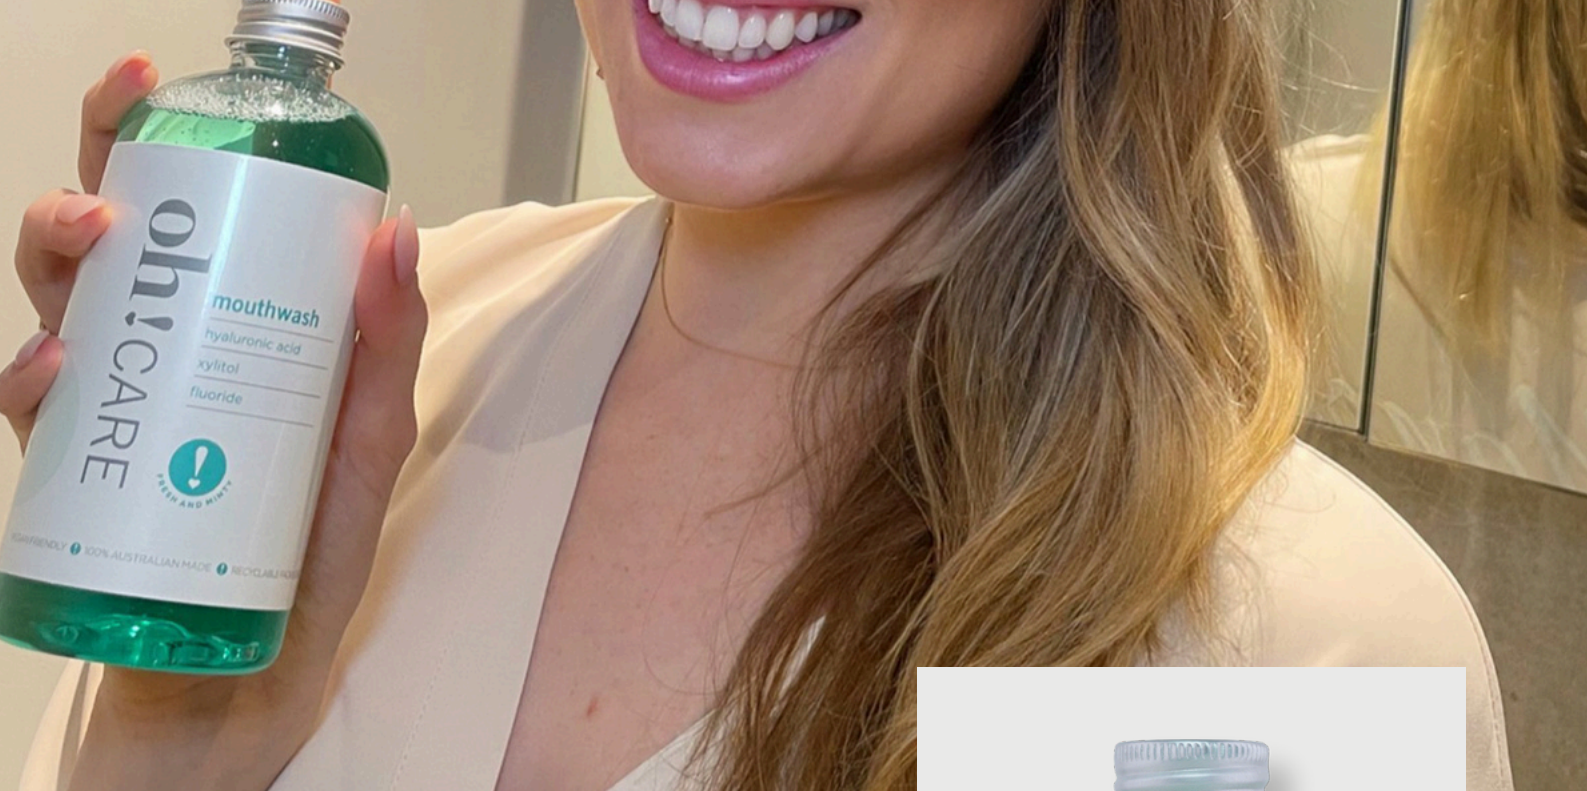

## Fluoride Free w/ Hyaluronic Acid

**Soothing, Alcohol-Free Mouthwash** A gentle rinse that creates a protective, hydrating film over your oral tissues. Hyaluronic acid brings deep moisture and calm to dry or irritated areas, while xylitol and peppermint keep breath fresh and support gum health. Perfect for anyone wanting fluoride-free care that still feels luxurious and effective. Refresh, hydrate, repeat!

**Ingredients** Propanediol, Sodium Benzoate, Sodium Lauroyl Sarcosinate, Aqua, Glycerin, Hyaluronic Acid, Menthol, Peppermint (*Mentha piperita*), Spearmint (*Mentha spicata*), Xylitol.

Packed with hyaluronic acid to hydrate and soothe like a hug for your mouth, xylitol to fight bacteria naturally, and refreshing peppermint + spearmint oils for that instant fresh feeling. Alcohol-free, gentle, and oh-so-good for you.

# OH! Care Mouthwash

## Fluoride-Enhanced Soothing Mouthwash

Our classic soothing rinse with added fluoride for extra cavity protection, plus hyaluronic acid and vitamin C to hydrate, calm, and support healthy gums. Forms a lubricating film for instant relief in dry or stressed spots, freshens breath beautifully, and keeps your oral health on point. Because confident smiles start with feeling cared for.

**Ingredients** Ascorbic Acid, Fluoride, Propanediol, Sodium Benzoate, Sodium Lauroyl Sarcosinate, Aqua, Glycerin, Hyaluronic Acid, Menthol, Peppermint (*Mentha piperita*), Spearmint (*Mentha spicata*), Xylitol.

Featuring hyaluronic acid for lasting moisture and comfort, fluoride for strong cavity defence, vitamin C (ascorbic acid) to support healthy gums, xylitol for natural protection, and those lovely peppermint + spearmint oils for breath that feels fresh all day. Clean, effective, and made with love.

# HA-X Gel Gum Serum

## Targeted Gum Hydration & Comfort Gel

A little hero for your gums! Apply this soothing gel directly where needed for targeted hydration and relief. Hyaluronic acid and xylitol work together to improve gum health, reduce irritation, and form a protective barrier. Ideal for daily comfort or whenever your mouth needs extra love. Small dab, big difference!

**Ingredients** Ascorbic Acid, Sodium Benzoate, Aqua, Glycerin, Hyaluronic Acid, Spearmint (*Mentha spicata*), Xylitol.

Loaded with hyaluronic acid to deeply hydrate and calm (it holds up to 1000x its weight in water!), xylitol to naturally support gum health, vitamin C for tissue strength, and refreshing spearmint for a soothing finish. Gentle, targeted care exactly where you need it.
