
*The new stress-free
shopping experience!*

We're different

Completely Online

Tick off your wedding ring when it suits you, without leaving home.

Super Fast

Receive your rings within 10 days. But please don't leave it 10 days before the wedding!

Quality

Affordable and ethically made in Australia.

So Much Love

We only make wedding rings. We love it and we're awesome at it.

Choose your style and size.

Find your perfect wedding ring on our website. Check your finger size by ordering a free Sizing Kit. [Click here to order.](#)

How it works

Place your Order

Place the order on our secure website. We also have payment plans available. [Click here for more info.](#)

Relax, your ring is on the way!

It's fully insured until you receive it. If you're not there to sign for it, you can collect from your local post office.

Classic Sets

Our classic MIDAS wedding ring is now available as a fixed price matching set. The soft half round profile blends seamlessly with casual or formal, sportswear or glamour, work or play and everything in between.

We've chosen the perfect 2.5mm width for Her and 5.5mm width for Him, both stylish at any finger size. Combined with a 1.5mm thickness and inner comfort fit, you'll never want to take it off!
