## The only choice for the great Aussie outdoors

Millard Caravan's manufacture semi off road, and full off-road model caravans. Built to last on a hot dipped galvanized chassis, with an aluminium frame we use Australian materials to withstand our harsh Australian conditions. With a single piece fibreglass roof and Australian Cruise Master Independent Suspension System, we take strength and quality of build to another level. Available in full van, bunk and pop top models, we build in house from the chassis up. With over 70 years of experience we manufacture vans to suit your individual needs. Using latest appliances, safety features and luxury items to make your holiday experience more enjoyable, while also giving you more peace of mind in the longevity of the life of your quality-built Millard van.
