

# The World's First Sustainable Drink Cooler!

- Recyclable
- Biodegradable
- Compostable
- Customisable
- Reusable

**Colcardie**<sup>TM</sup>

# Welcome to the Cool Revolution!

## Problem:

The manufacture of traditional oil based promotional drink coolers contribute to air pollution and environmental waste.

## Solution:

Coolcardie Coolers -  
The Sustainable Solution  
for Cool Drinks and Brilliantly  
Branded Events!

**colcardie™**

# What makes Coolcardie Coolers unique?

They're a World's First:  
Sustainable coolers with unparalleled features.

## Amazing Price-Point:

Made from abundant, recycled board - this corrugated cardboard cooler can't be beaten on price. **Get an amazing ROI!**

## Stunning Graphics:

Detailed full-color graphics on clay coated corrugated cardboard that **can't be reproduced on neoprene surfaces.**

## Thermal Excellence:

More protection with a taller sleeve and a cleverly secured base that ensures minimal heat transfer. **That's cool!**

 Coolcardie™

# Benefits for Event Organisers
