Grown in West Australia

# Local, tasty and deliciously fresh

If you love fresh oranges and mandarins just as much as we do, then you'll love our **locally grown Moora Citrus!**

Our orchard is located just north of Perth in the Wheatbelt, which is the perfect location for our fruit to soak up the WA sunshine and grow the **tastiest, juiciest oranges and mandarins.**

Because we're so close to the city we can **pick, pack and provide the freshest** citrus you'll ever taste!

We are **proud locals** and proud to be growing local fruit.

We love being able to pick Moora Citrus oranges and mandarins, to deliver them **fresh from our farm gate** to your plate.

So, if you love **local, tasty and deliciously fresh** oranges and mandarins, grab your Moora Citrus today and connect with us online!
