The Bee Firm

**100% AUSTRALIAN,
HONESTLY HEALTHY**

Our Products

Produced 100% in Western Australia, and using sustainable and environmentally responsible processes, we have combined Australian Honey, Kakadu Plum (Gubinge), Guarana, Ginseng and Sea Cucumber to make a range of products. Whether carbonated or still varieties, they all taste great.

Sodium	89mg	30mg	
Potassium**	249mg	83mg	

Contains Fish and Fish Products

Ingredients :

100% Australian Honey
Sea Cucumber - natural collagen
Filtered Water

Bee C Aqua

(300ml PET STILL)

Our newest range, which doubles as a sports recovery drink and a health support drink. We believe that this is the first product to ever combine honey and sea cucumber, meaning the natural flavours are nothing like you have tasted before.

Many first-timers describe the taste as simply refreshing! The collagen levels found in Sea Cucumber are much higher than those in plant collagen sources. The amazing health benefits are also due to the active ingredients containing all of the amino acids.

Our sea cucumbers are hand-picked and we work with companies that are ensuring sustainable replenishment of any volumes taken. We continue to follow the teachings from the Aboriginal people about the way to farm and protect populations.

Bee nrg - Lightly Carbonated

(250ml Lightly Carbonated)

Our original recipe and the first product produced by The Bee Firm back in 2017. A lightly carbonated alternative to energy drinks, without containing high levels of processed sugars and chemicals.

We are incredibly proud to see this product sit next to soft drinks and energy drinks but be 100% natural, with no taurine, no chemicals, no processed sugars, and a fantastic taste!

NUTRITION INFORMATION			
Serving per pack: 1		Serving size: 250mL

*Sugars naturally occurring in honey

Ingredients :

100% Australian Honey
Guarana
Ginseng
Water

Bee nrg - Non Carbonated

(300ml PET STILL)

Our honey drink suitable for ALL age groups. Mums love it as an alternative to high processed sugar drinks for their school-aged kids and everybody loves it for the taste! It has honey, Kakadu Plums (Gubinge), ginseng, water - and that's it!

The Kakadu Plums (Gubinge) contains the highest vitamin C content of any fruit, meaning they are fantastic for keeping healthy and fighting against colds and flu. We recommend grabbing a Bee nrg prior to sport or for the 3 pm slump when you need an energy boost!
