Claybourn[®]

Manufacturing & Embroidery

Est. 1910

Premium, Timeless & Ethical Fashion Manufacturer

Australian Owned and Made

MANUFACTURING

We manufacture our full Claybourn and The Aussie Coat Company range in-house.

Everything is carefully crafted by our machinery technicians and our professional fabric cutter all of whom have 10-30 years of industry experience.

We specialise in cotton and synthetic outerwear including coats, jackets, pants, swags and bags. We also produce hi-vis workwear, waterproof ponchos, horse rugs, medical swags, oilskin swags, wine coolers and motorcycle jackets as well as pants with/without kevlar lining for our numerous wholesale customers and walk-in clients.

We also offer Repair and Alteration services for all of our customers.

EMBROIDERY

Our embroidery technician has over 11 years of experience digitising and sewing embroidery on our large 12-head embroidery machine.

For you this means that we can do any quantity of embroidery from 1 to 1000 of whatever you need and you can be assured of the highest quality embroidery for a reasonable price.

We can do:

- Logos
- Names
- Images
- Badges
- Patches
- 3D

On almost anything, including clothing, caps, hats, bags, leather, linen and towels.

You can supply the items to be embroidered or we will order them in for you at industry prices.

4 EASY STEPS TO CUSTOM EMBROIDERY

Logo

Send us your logo or what you want embroidered - embroidery@claybourn.co

Digitise

We will digitise the logo/graphic and convert it to an embroidery file then you will receive a proof to see the actual effect.

Begin Production

When we have your approval, your embroidery will be completed within a couple of days

Ready for next time

Your digitised embroidery is kept on file ready for next time
