First we asked

We developed Raw Beauty Box on the foundation of real customer insights. We had the opportunity to leverage the opinions of over 2000 customers from our sister company and asked them two critical questions:

Then we answered

We launched Raw Beauty Box with collections of vibrant, gentle, nourishing body + bath products that care for the Earth. Now, we continue to grow and adapt so we can keep our philosophy up-to-date with current sustainability options.

GIVE BACK

We Partner with meaningful causes

From the beginning, we became a community partner with The Orangutan Project. This is a project that is very close to Founder, Marcus' heart.

In 2021, we commenced a new partnership with Beddown who provide safe sleeping spaces for the homeless.

Earth-friendly packaging

100% of our orders are posted in eco-conscious packaging including wood wool, biodegradable packing peanuts, recycled cardboard boxes and home compostable mailers from Heropack.
