About us

Pet Botanica is a premium Australian pet wellness brand founded by devoted pet parent Krystal Glanville and inspired by her dog, Harry.

We believe pet wellness should be supported every day - not only when problems arise.

Working with experienced animal nutrition, naturopathy and herbal professionals, we create natural, purposeful products that make proactive care simple and enjoyable.

Proudly Australian-made, our range is guided by quality, transparency and a genuine commitment to helping pets live happier, healthier and more enriched lives.

Because pets are family, and they deserve to live well, every day.

Country of Origin: Australia

Case Quantity: 10 units

Key Features:

- Cleanses and soothes skin and paws
- Gentle and non-stinging
- Odourless
- Suitable for dogs and cats
- Australian made in small batches

Natural Ingredients. Gentle on Skin and Paws.

A gentle, odourless mist for cleansing, refreshing and soothing the skin and paws of dogs and cats.

Keep it close for sensitive-looking skin, dry or weather-exposed paws, messy skin folds, post-walk clean-ups, grooming days, and those little external areas that need extra care when zoomies, digging and outdoor adventures get too enthusiastic.

Made with 20–24 ppm colloidal silver, this versatile everyday mist is a convenient addition to pet-care cupboards, grooming kits and travel bags.

Premium Australian Treats

Made with all-natural ingredients and no artificial preservatives or additives. Crafted using premium-quality ingredients and proudly ***Certified Australian Made.***

Typical shelf life: 18–24 months.
