VERI SHADES®

The softness and style of curtains with the versatility of blinds.

The soft fabric hangs beautifully and having no weights or chains you can walk through them anywhere whether open or closed. They just sway out of the way then settle back.

CARE & CLEANING

Surface dust can be removed by using a clean soft brush or feather duster. Because of the variations in Veri Shade® fabrics, we recommend you spot clean a small area as a test first. Lightly hand wash and dry Veri Shades. You can iron with a cool iron or remove creases by steaming. To remove Veri Shade blades simply unhook the fabric by lifting up and out.

Let Apollo Blinds open your mind to new decorator ideas. Since 1988 Apollo Blinds has focused on delivering the latest in home fashions with consistent reliable service. An Australian owned company with most products still being manufactured in Australia, Apollo Blinds gives you peace of mind – all fabrics and components come with a 2 year warranty (1 year in home) on manufacture and materials. Some materials or components may carry additional manufacturer's warranty.
