

# ANTIWRINKLE HAIR

## Leave In Smoothing Treatment to Repel Humidity

**If your favourite leave in treatment and salon smoothing service had a baby, this would be it!**

Our custom anti-frizz formula penetrates the cuticle layer, ensuring long-lasting smoothness. Antiwrinkle Hair Smoothing Treatment not only repels humidity to keep your hair smooth and shiny but also deeply nourishes and protects your hair, delivering healthier locks and a revitalised scalp.

- Intense moisture and strength to damaged hair, reducing breakage and split ends.
- Thermal protection to shield your hair from heat styling damage.
- Unblocks hair follicles, regulates sebum production, and stimulates healthy growth.
- Infused with Omega 3, 6, 9 and essential amino acids for optimal hair nutrition and antioxidant protection.
- Helps treat scalp conditions and supports healing, addressing damage that can lead to hair loss.
- Free from parabens.
- Suitable for all hair types.

**Experience the magic of effortlessly manageable, healthier and shinier hair with Antiwrinkle Hair.**

## HOW TO USE

**Shampoo and Condition:** Wash your hair as usual with your preferred shampoo and conditioner.

**Towel Dry:** Gently towel dry your hair to remove excess moisture.

**Apply:** Dispense a small amount of Antiwrinkle Hair Smoothing Treatment and apply from roots to ends. Ensure even distribution by combing through your hair.

**Style:** Style as desired. For the smoothest results, finish with a blow-dry and hair iron.

**Tip:** Use as often as needed. Frequent use will enhance and prolong the benefits for smoother, shinier, healthier hair.
