Camp King Industries

PROTECTOR SERIES

FREESTANDING 270 AWNING

Camp King Protector Series Freestanding 270 Awning offers massive shade with fast setup. *It's the best 270 degree awning on the market.*

The Camp King Protector Series 270 Awning is the first in a range of freestanding awnings designed to make travel simple. Providing almost instant shelter, set up simply requires unzipping, a short walk and a quick clip in and it is good to go – no poles needed!

Fast setup, easy pack down and 100% Australian Made. Perfectly matched to our Alloy Canopies, Outback or Peak Series, it will also mount to other canopies and roof racks capable of handling the load.

Lucas designed the Camp King freestanding 270 awning to use high-quality aluminium extrusions to ensure that the awning is both lightweight and extremely strong. The awning can easily withstand torrential downpours and high winds, is quick to set up and provides ample shade.

Totally Freestanding 270 Awning

The Camp King Protector Series Awnings offers easy setup and packdown with its totally freestanding design. No more poles.

Hand Crafted

Camp King Industries Protector Series Awnings are all handcrafted in Brisbane. The frame is all TIG welded and joined and the canvas is hand sewn to ensure the right fit. Aussie materials and Aussie labour help create a truly premium product.

Strong and Sturdy

With high profile extrusions and an incredibly sturdy 6mm bracket the Camp King Awning is going to survive even the harshest of environments. If you're looking for the best 270 awning, you might just have found it.

Tried and tested

The Camp King Protector Series has seen hundreds of hours of testing to ensure it will hold up to the weather and keep you protected from the elements. For added safety, we have included anchors for securing the awning if required.

270 Awning Installation

The Camp King Protector Series Freestanding 270 Awning can be mounted to a variety of Camp King and other branded products including canopies and roof racks using various mounts.

Shipping

We can freight our Awnings Australia wide. We also have a network of installers Australia wide who may be able to install the units for you (location specific). Please contact us for more info.
