

Disposable face masks

Vicare

We play a small part in removing the reliance on imports by helping create and support Australian manufacturing jobs.

Focus on quality

Vicare's disposable face masks are designed for comfort with a focus on quality. Our 3-ply face mask with ear loops and adjustable nose bridge makes for enhanced comfort and snug fit. These masks are manufactured in Australia in our purpose-built facility.

**OUTSTANDING QUALITY
ENHANCED COMFORT**

Outstanding quality

The face mask is made of three layers of polypropylene fabric that is breathable and latex free.

- Inner layer is meltblown that is soft and gentle on the skin
- Middle layer is soft non-woven that is moisture-proof and non-irritating
- Outer layer is hydrophobic non-woven that is repels water and anti-bacterial

Sized to fit everyone

Our masks are well sized at 17.5 cm wide and 9.5 cm tall.

Enhanced comfort

The adjustable nose bridge provides for enhanced comfort and fit.

Soft elastic ear loops make for extra gentle yet firm fit when securing the mask to the face.

Australian-made

Masks are made right here in Tullamarine, Melbourne and employee locally.
