Welcome to Emanate

Our Story

We're an Australian owned, Australian manufacturing company that provides contemporary furniture to the corporate, health, education and retail sectors.

Our manufacturing headquarters is based in St Peters, Sydney and we have showrooms in Sydney and Melbourne dedicated to serving our customers throughout Australia.

Emanate has been leading the Sydney commercial furniture landscape since its founding in 2002. James Davies joined the team at Emanate in 2009 as Sales Director, and in 2021 he took over the ownership, continuing the legacy of Emanate as an independent, owner-managed family business.

Our goal is to provide our clients with high quality product and unsurpassed service, our team has a reputation of going above and beyond to get the job done.

Interstuhl Partnership

German furniture brand Interstuhl is renowned for its high quality, ergonomic seating and Interstuhl has had an exclusive Australian market product partnership with Emanate since 2005. The Interstuhl brand stands for healthy sitting in office environments, and innovative system solutions for individual office landscapes. Interstuhl is one of the leading manufacturers in Europe.

Founded in 1961, Interstuhl is now active across the world and is one of the leading European chair manufacturers employing over 1,000 committed members of staff.

Technical perfection, uncompromising quality, design you can experience with all your senses, and the careful handling of all resources are what characterise every Interstuhl product.

Our Team of Experts

James Davies
Managing Director

James is a passionate and involved leader who has worked in the commercial furniture and design industry across Australia and Europe since 1996, working with some of Australia's biggest and brightest companies. He has a wealth of expertise on commercial furniture products, as well as design and commercial fit out.

James is consistently proud of the team of experts at the Emanate Sydney and Melbourne offices who all go the extra mile to deliver for their clients.

Our Services

We pride ourselves on our exceptional service and are always here to support you throughout the order and delivery process. Whether you're ordering retail, hospitality, or office furniture, we'll keep you informed every step of the way.

Product Solutions

Emanate focuses strongly on the Interstuhl range from Germany but also develops locally designed interior office furniture, from workstations and office chairs to storage, lounge seating, and reception furniture. In addition, Emanate can also supply innovative speciality furniture for the Health, clean room/laboratory and hospitality sectors.

Project Management

Our highly experienced Project Management team will work with our clients to deliver, supply, manufacture and fit out projects efficiently and effectively, meeting our customer budget and lead time requirements. We know that service is important to our clients and we are proud to receive consistently positive feedback about our pre and after-sales service.

Install & Fit Out

The Emanate install team are highly experienced and work within your job and site requirements to get the job done. Our team will take delivery of product, as well as complete full assembly and install on site. We recognise the importance of timely delivery during workplace fit outs and refurbishments and will go above and beyond to ensure the client's needs are met.

Our Clients Said

Raj Kumar Manager, Procurement & Logistics, Business Services **Teekay Shipping Australia**

Teekay Shipping completed a 770sqm commercial office fit-out in Woolloomooloo in December of 2022. From the beginning of this project, Teekay was very conscious about of its carbon footprint, the ever-increasing lead times due to supply chain backlog and climbing manufacturing costs related to various aspects of supply. It was vital for us to partner with an Australian manufacturer for supply of quality furniture solutions as we are big on sourcing locally.

Fortunately for us, we identified Emanate Design as the ideal partner. James Davies and his team were very professional and accommodating from the 'get go'. Emanate had the right engagement from various levels of their organisation to understand our needs, and while we may have been a bit pedantic with our requirements,

Emanate handled it with ease. They were able to provide our required furniture solutions within a very tight timeline (6

weeks for workstations and 8 for remaining) given they are locally manufactured. In addition, their workstations were made from recycled materials further reducing our carbon footprint.

I have sourced quality furniture from several manufactures both local and overseas and I can comfortably say the Emanates products are on par with the top suppliers. Overall, we are a very satisfied customer.

Emanate Design staff have been very professional in their approach to design and client requirement. The solutions provided by Emanate focuses on current designer furnitures, budget, lead time, environmental factors including GECA and AFRDI. **Vish Kunjur Architect GHD Pty Ltd**

Con Hart National Marketing & Client Services **FDC Construction & Fitout**

FDC has engaged Emanate Design on numerous projects over many years, including Caledonia, Dibbs Barker, Clemenger, Collection House, Dexus, Credit Suisse, Gadens Lawyers, HSBC, Logica, Northrop and more.

From our perspective, we seek and expect quality in product, installation and communication to ensure the success of a project. The team at Emanate Design have been consistently reliable in providing quality products across a wide commercial furniture spectrum, backed by professional

(and Courteous) installation teams. It is our experience that the Emanate team go to extra effort to ensure our project team and client are well informed and satisfied throughout the delivery process.

Our Product Range

Work Stations

Our workstation range offers a variety of stylish and functional options to create a personalized workspace that suits individual needs and preferences.

Storage

Storage solutions that cater to diverse office storage and filing needs, including tambour units, lateral filing cabinets, and bespoke joinery units.

Tables

Tables that can accommodate small meeting spaces as well as large corporate boardrooms, customisable with various tabletop finishes and frame options to suit your needs.

Seating

Our comprehensive seating collection is carefully crafted to meet your needs in any given situation. From task chairs to training, boardroom and executive chairs, breakout seating and lounges, select from our extensive range.

Monitor Arms

Monitor arms are an essential workstation accessory to improve ergonomic comfort and productivity by allowing users to adjust the height, angle, and position of their computer monitors to their individual preferences.

Quiet Pods

The quiet pod, or phone booth is perfect for sensitive phone calls, working on confidential documents, or just a bit of peace and quiet.

Case study

Emanate Design were engaged directly with our client Teekay through our friends at Mammoth Projects.

Overview

Teekay Shipping were looking to fit out a new 770sqm office in Woolloomooloo. The client had a clear focus: use a top quality Australian manufacturer with strong sustainability credentials. In addition, there were extremely quick lead times required starting at 6 weeks for workstation delivery.

Process

Emanate completed the supply & fit out for Teekay which included height adjustable workstations, boardroom tables, breakout areas, soft seating and lockers. All products Australian made and delivered within the required lead times.

Solution

We were able to provide our clients with exactly what they desired, including custom height adjustable workstations, custom Boardroom furniture, collaboration area, Breakout areas, soft seating and of course the lockers. All products Australian made and delivered within a 6 week lead time.

We Care

Sustainability to us means Emanate Design maintains a positive impact in all its operations wherever possible. This has been realised through support of the local economy and culture through local employment and promotion of local design, safe and fair work environment, improving the lives of the wider community through social work, and environmental compliance.

Certifications

Being GECA certified includes an anti-slavery declaration and commitment, inherent to our Modern Slavery Policy.

We are a UN Global Impact Signatory to the Modern Slavery Act published onto the UN Global Signatory website.

ISO 14001 Environmental certified factory.

PEFC Chain of Custody upon request to meet the Green Building Council Australia's sustainability requirements.

LuxBoard is certified under the Panel Boards (GECA 04-2011 v2i) GECA Standard which can be read at www.geca.eco addressing low formaldehyde, low VOC, indoor air quality, waste and recycled sustainability requirements.

Emanate Design specialises in the manufacture and supply of custom designed office furniture from particleboards for offices including products certified under the AS 470 Chain of Custody (CoC) scheme.

Australian Made

At Emanate, we take pride in our commitment to manufacturing Australian-made products of the highest quality. Our dedication to local production means that we can ensure that our products meet the highest standards of excellence, and that we support the Australian economy and community.

We use only the best materials and manufacturing techniques, ensuring that our products are built to last. Our team of experienced professionals oversees every stage of the production process, from sourcing raw materials to final assembly, to ensure that every product we make is of the utmost quality.

We believe that manufacturing locally is not only important for the quality of our products, but also for the environment. By producing our products in Australia, we reduce our carbon footprint and contribute to a more sustainable future.

By choosing Emanate you can be assured that you are supporting Australian manufacturing and investing in products that are built to last. Thank you for choosing to support local and choose Emanate.
