

INTRODUCING OUR NEW PRODUCT

Looking for a premium 4WD camp shower, boat shower for your inboard or a heat exchange hot water system for an RV then go for the safe and reliable Glind system.

The Glind heat exchanger is fitted to the vehicle's heater lines and uses a 12V pressure pump to draw water from any source through a separate line in the heat exchanger.

If you have a water source, shower where you park.

Glind - Suitable for:

- Family Car
- 4WD
- Buses
- Trucks
- Inboard Boat Motors
- Motor homes
- Marine Gen-Sets
- Camper vans
