

Along Nature Laundry soaking Powder

All-nature, 100% Australian made

We believe our laundry powders are perfect if you have sensitive skin, eczema, psoriasis or if you just want to cut toxic chemicals out of your home.

They are only fragranced with pure essential oils, which vaporate out of your clothes when drying.

We guarantee our powders will not trigger any skin reactions.

Eucalyptus Laundry soaking powder

- Powerful formulation with **100% pure organic eucalyptus oil** that will leave your clothes smelling fresh as well as clean.
- Removes Dust Mite Allergens
- Ideal for cloth nappies and baby clothes
- **100%** water soluble so everything washes out in the rinse cycle leaving no residue - perfect for sensitive baby skin and eczema or psoriasis.
- **For hand washing:** add powder to warm water and rub a small amount directly on to any stains, soak for 20mins or longer if very soiled, wash as usual
- **For machine washing:** add powder to the dispenser and set to desired washing cycle. Works well in warm and cold water

There are no fillers or insoluble residues in Along Nature Eucalyptus Laundry Powder.
