

## “Get Organised”

### Give your fridge an instant facelift...

This smart attractive design will give your fridge an organisational make over and is as easy as snap, lock and click!

Say goodbye to bottles rolling around your fridge, or clinking and rattling in the fridge door and say hello to a well utilised space that creates more room for your food and drinks.

Fridge Racks are easy to install and clean. Individual modules allow you to create a rack to fit any shape or space. Easily expandable to build a small wine rack through to a complete cellar.
