Caremed Alrick.

Alrick EN9 Double & Queen
Endless Bed

A bed with Endless
possibilities

We are proud to introduce the first ever universal bed that suits low care, high care and bariatric care. Plus, this innovative three-in-one bed has a low height of 180mm and NO TOWERS.

From care of frail elderly or dementia patients, through to acute and bariatric settings, the patent pending Australian made EN9000 Endless Bed has you covered. One bed, endless possibilities!

Configuration Possibilities
