### Baby Shampoo & Body Wash

**Baby Shampoo & Body Wash** is an extremely mild 'no tears' formula, gentle enough for all over use.

Specially designed as a dual purpose product that is suitable for babies and children of all ages to keep their skin, soft, smooth and fresh.

**Emu Oil** provides exceptional soothing and moisturising qualities. Enriched with plant extracts including Shea Butter and Lavender to cleanse, nourish and calm.

- Sulphate (SLS) Free
- Silicone Free
- Petrochemical Free
- Paraben Free
- Ethoxylate Free
- PEG Free
- No Artificial Fragrance
- No Colouring

Particularly suited for babies and children who suffer with eczema, dermatitis, psoriasis, allergies and sensitive skin as **Emu Tracks Baby Shampoo & Body Wash** does not contain the commonly used ingredients that are often the cause of these problems.

## Bath and Body

### Liquid Hand & Body Wash

An exceptionally mild soap free hypo-allergenic formula, gentle enough for the entire family as a facial cleanser, all over body application and everyday hand wash. Ideal for frequent use, dry skin and particularly effective for sensitive skin sufferers.

Selected plant based ingredients are blended with nature's most effective moisturisers to simultaneously cleanse and nourish while preserving the skin's natural protective oils.

The antibacterial properties of Eucalyptus are combined with soothing, moisturising **Emu Oil**, Shea Butter and Lavender, resulting in naturally soft, smooth skin.

### Moisture Bar

**Emu Oil** is blended with gentle plant based cleansers to provide nourishment and moisture retention without drying the skin.

The hypo-allergenic formulas of these long lasting, moisturising bars are suitable for all skin types, particularly sensitive skin.

Subtly scented with natural based aromas:

Boronia & Aloe Vera, Bush Rose, Honeysuckle, Lime & Lemon or Macadamia & Wheatgerm.

# Pure Emu Oil

## Bio-Active Emu Oil™

Emu Oil is a powerful natural anti-inflammatory that can effectively relieve joint pain associated with arthritis.

Highly beneficial in the relief of chronic skin conditions, itching, irritations including eczema, dermatitis, psoriasis and allergies.

An extremely versatile remedial oil that can rapidly assist in the treatment of minor burns, rashes, insect bites, cradle cap, nappy rash, scarring, redness and dryness.

Emu Oils superior penetrating properties allow the oil to penetrate the outer layer of skin to deliver the ultimate in skin moisturising.

# Emu Oil Capsules

**Emu Oil** is a potent **anti-inflammatory** that can effectively:

- Relieve pain and inflammation associated with arthritis, muscle and joint conditions.
- Readily alleviates gastro-intestinal disorders.

**Emu Oil** is principally comprised of essential fatty acids Omega 3, 6, 7 & 9 which are recognised to assist with arthritis, skin conditions, efficient brain function, depression, mood disorders, as well as to provide healthy skin, hair and nails and to protect against cardiovascular disease.

Recent research demonstrates Emu Oil has therapeutic potential for the treatment of common bowel diseases including IBS, IBD, Crohn's disease, in addition to intestinal damage caused by Chemotherapy.

This product contains 100% **Pure Emu Oil**.

# Muscle & Joint Balm

The unique combination of **Emu Oil** and natural extracts offers exceptional penetrating properties to give rapid relief to joint & muscle pain, swelling & impaired movement in sports injuries.

**Emu Oil** has greater penetrating abilities to progress deep in to muscles targeting the injury quickly and effectively.

**Emu Oil Balm** is hypo-allergenic, petrochemical free and totally natural, so it's kinder on the skin. **Emu Oil Balms** efficient absorption capabilities limits oily residue on the skin.

When massaged warms the area to increase healing circulation.

# Liniment

A deeply penetrating all natural **Liniment** that provides relief from muscular aches and pains, bruising, swelling, strains, and sprains. Suitable for all skin types due to its minimal heat producing characteristics, **Emu Oil Liniment** is a non-steroidal, non petrochemical alternative to effectively remedy inflammation associated with muscle and joint conditions.

Arnica is a key ingredient clinically proven for its effect in the treatment of bruising.

This fast acting, powerful formula provides soothing relief when massaged to the affected area.

# Massage Oils

## All Purpose Massage Oil

A highly penetrating **massage oil** suitable for all over application while providing intense moisturising. Effectively targets stretch marks.

The gentle blend of Lavender, Rosewood and Petitgrain essential oils is formulated to soothe and relax the body, mind and spirit. Leaves the skin silky smooth without any oily residue.

## Sports Massage Oil

A highly penetrating **massage oil** formulated for athletes and active people in preparation for exercise, training and competition.

When massaged, reduces the incidence of muscular cramps and stiffness, stimulates and promotes circulation.

Ideal for peripheral circulation issues at any age.

## Stress Relief Massage Oil

A highly penetrating blend, when massaged aids in the relief of stress, nervous tension and mild anxiety.

Apply a few drops as a spot application to forehead, temples, neck and shoulders or suitable for all over application to promote a tranquil, relaxed state.

# Men's Products

## Skin Care For Him

A revolution in Men's Skin Care!

This complete 3 in 1 treatment has been formulated for men with busy lifestyles.

step 1: after shaving - apply to soothe razor irritated skin

step 2: moisturise - replenish lost nutrients to face & neck

step 3: style hair - work through to add body and shape

# Active Skin Care

## Moisturiser

This unique combination of **Emu Oil**, **Rosehip Oil** and plant extracts revitalises and rejuvenates resulting in a fresh, more youthful appearance to the skin.

**Emu Oil** offers exceptional penetrating properties to more efficiently carry moisture and nutrients deep beneath the skin surface, promoting firmness and elasticity without any oily residue. When used sparingly morning and evening, this advanced skin care treatment assists to reduce the appearance of fine lines and wrinkles.

Use in combination with **Emu Oil Capsules** to achieve a more significant result.

## Hydrating Lotion

With **Emu Oils** exceptional penetrating properties, **Hydrating Lotion** offers the ultimate in moisture delivery to dehydrated, dry and rough skin. **Emu Oil**, Aloe Vera and Evening Primrose Oil combine to effectively revitalise and rejuvenate neglected skin. Apply this non-greasy, fast absorbing **Hydrating Lotion** sparingly to hands, body and feet to achieve soft supple skin.

## Sun Surf Ski

### The Ultimate in After Sun Treatment

**Sun Surf Ski** repairs dry and damaged skin caused by exposure to the elements, while providing natural nourishment to replenish lost moisture. Rich in **Emu Oil**, Aloe Vera and Vitamin E, this soothing and revitalising skin repair preparation is ideal for after sun, wind, surf, ski, shaving, waxing or showering. **Sun Surf Ski** quickly penetrates the skin to rehydrate and repair skin without leaving a sticky residue.

## Lip Balm

**Emu Oil** has superior penetrating abilities to deliver moisture and nutrients deep below the skin surface resulting in effective and complete repair of dry, chapped and cracked lips.

This unique combination of **Emu Oil** with other natural ingredients including St Johns Wort, provides exceptional moisturising and conditioning to help prevent discomfort and further damage.

**Emu Oil** naturally contains Vitamins A, D, E, F & K2 plus Omega 3, 6, 7, & 9 offering total care for all climates and conditions.

Available in **Eucalyptus**, **Orange** and **Unflavoured**.
