

Hardwear

Onsite Vans. Built Tough. Delivered Ready.

HARDWEAR ARE THE LEADERS IN
DESIGN AND MANUFACTURING OF PREMIUM
ONSITE VANS AND MOBILE SITE OFFICES
FOR THE CONSTRUCTION, RENEWABLES,
MINING AND CIVIL SECTORS.

HARDWEAR VANS.

BUILT TO WORK AS HARD AS YOU DO.

From daily site offices to long-term accommodation, medical units, command centres and beyond, Hardwear provides facilities that work as hard as the industries they serve.

Every unit is Australian-made, fully compliant and engineered for durability - trusted across construction, civil, mining, resources, infrastructure, transport and renewables.

Hardwear is also a partner of leading hire companies to deliver scalable fleets built for reliability and low maintenance. Across every project, our facilities keep crews safe, comfortable and productive.

AUSTRALIAN MADE & OWNED

Every Hardwear unit is engineered locally with uncompromising attention to detail.

MOBILE SITE OFFICES

Insulated, air-conditioned and work-ready with storage, desk space and lighting.

SITE ACCOMODATION

Single or dual-room units with beds, ensuites, and climate control for remote workforces.

LUNCHROOMS & CRIBHUTS

Comfortable and compliant break spaces for onsite teams.

COMMAND CENTRES

Secure, tech-equipped mobile hubs for managing major worksites, events or emergencies.

MEETING SPACES

Engineered for comfort and productivity in challenging locations, including executive or meeting fitouts.

MOBILE MEDICAL UNITS

Designed for onsite triage, testing or treatment with clean, controlled environments.

STANDARD MODELS.

Hardwear's standard models are proven onsite solutions - fully equipped and ready to deploy.

Available in 7.7m and 9.0m cabin sizes, they're engineered to handle the daily demands of construction, mining, civil, infrastructure and city-based projects.
