What makes ecocare straws your choice

Ecocare straws are made from 3-4 ply premium grade FSC®, SFI®, and PEFC™ certified paper supplied from one of the world's leading manufacturers in sustainable and innovative fiber solutions. The certificates guarantee that our forests are being responsibly logged and managed in a way that preserves the natural ecosystem and benefits the living standards of local people and workers, all while remaining economically viable.

- Home and industrial composting certified
- Recyclable according to EN13430 and biodegradable according to EN13432
- Our Australian-made paper straws are eco-friendly, durable, functional, and come in various sizes and colors.
- Indefinite shelf-life, if stored cool and dry.
- More importantly, with 5% of the profit donated, our paper straw business is for a better Australia.
- Your brand printed on straws – the cheapest marketing strategy ever
