MINERALS

The Confidence... The Compliments... The Coverage!
Look glamorous... naturally!

Prime, Prep & Set!

Primer - Perfection **\$60** RRP

Light, creamy, smooth... complexion perfection!
Apply under LaGlam foundation for a flawless, smooth finish.

Tip

Always allow your primer to dry completely before applying your foundation.

Concealer - Flawless **\$30** RRP

For those that need that extra touch of spot cover up or to lighten under eye darkness this one is for you!

Tip

Dab on before your foundation and don't blend too much as your kabuki brush will blend for you when applying your foundation.

Setting Powder - Bridal Veil **\$45** RRP

The LaGlam setting powder is like a protective veil set over the top of your makeup without altering the colour underneath.

Setting powder is a silky blend of the lightest minerals with just a touch of calcium. Applied after foundation, the powder is exceptionally great for oily skin aiding in oil absorption and assists in your makeup lasting longer at its best. It will add a smooth, matte, finish to your look.

Tip

Apply for any special occasion lasting day into night for maximum staying power!

LaGlam 2 in 1 Wet/Dry 100% Mineral Foundation

\$60 RRP

Light-weight with incredible oil control and staying power. LaGlam foundation is sweat and water resistant and contains a high protection sunscreen of SPF20+. 100% mineral with no talc or parabens to irritate. Great for sensitive skin and those prone to breakouts or rosacea as the ingredients promote calming of the skin! Your skin will thank you for this! So easy to apply and achieve a naturally radiant looking complexion. It can be applied dry for a lighter coverage with just a few circular motions of LaGlam kabuki brush building up layers (usually two is sufficient) to your desired coverage, can also be applied wet for a more professional coverage. So easy to apply and achieve a naturally radiant looking complexion, this award winning foundation is our best seller!

Model wears LaGlam 2in1 wet/dry 100% mineral foundation, La Bronze, La Lumiere and Porcelain Rose on cheeks, Thai Temptress eye shadow, Sultry Nights Colossal Pencil, Blackwater Mascara and Glamazon Salon Signature lipstick.

SPF 20+

LaGlam mineral foundation powders are not only made to suit the diverse range of Australian skin tones, but also the Australian climate offering a high protection sunscreen of SPF20+ rating.

Tip

To apply dry, tip a tiny amount into the lid then swivel it around with your LaGlam Kabuki brush to break it down before applying to your skin. Tap off any excess back into the lid then apply in a circular motion ending in a downwards stroke.

To apply wet, put a drop of water in the lid so the lid is just damp. Apply quickly to face in downward strokes and finish it off with 1-2 coats of dry application.

LaGlam Kabuki Brush

\$45 RRP

The LaGlam kabuki brush is likely the softest kabuki brush you will ever use. This brush compliments your LaGlam mineral powder foundation and is the right density for a perfect application with even consistency. Brushes should be cleaned regularly with shampoo and warm water. Be careful to only wet the hair and not get water inside the brush handle.

LaGlam LumiGlow

\$60 RRP

For a long lasting luminous glow made of 100% minerals and containing natural sunscreens! This foundation offers a smooth finish and youthfulness to the skin. Use the sponge (wet or dry) cleverly hidden in the base of the compact or buff your cream foundation seamlessly into your skin for a gorgeous finish with LaGlam's Kaboochi brush (pictured below) to give you an airbrushed finish every time!

Foto-Finish Pressed Powder Foundation

\$60 RRP

Foto-Finish is a great stand alone foundation but can also be used over LumiGlow cream foundation -the perfect pairing! LaGlam Foto-Finish smoothes your skin while maintaining a radiant matte finish-suitable for all skin types. Minimise pores with great coverage, apply with LaGlam's kabuki brush, probably the softest kabuki brush you will ever use with the perfect density for flawless application.

Tip

LumiGlow foundation is so versatile, wet your sponge and use sparingly as a BB cream or team with Foto-Finish Pressed Powder Foundation -the perfect duo for perfecting the ultimate base!

LaGlam Kaboochi Brush

\$45 RRP

Buff your LumiGlow cream foundation seamlessly into your skin for a gorgeous finish with LaGlam's Kaboochi brush! This vegan brush is all natural and has the perfect bristle density to give you an airbrushed finish every time! Brushes should be cleaned regularly with shampoo and warm water. Be careful to only wet the hair and not get water inside the brush handle.

Model wears LumiGlow and Foto-Finish foundations in shade Waikiki 04. Brunette Spice brow beauty and Flirt lipstick along with Chandelier highlighter and Doll Face blush.

Brow Beauty

Blonde Sugar

Brunette Spice

Model wears 2in1 wet/dry mineral powder foundation in shade Waikiki 04. La Bronze on cheeks and eyes along with La Lumiere illuminate. Blonde Sugar brow beauty and Scarlet lipstick from the Salon Signature range.

Tip

Apply La Bronze to cheek bones and even eyes too for a quick transformation into a bronzed babe or use with blush to contour the cheekbones by applying La Bronze to the lower part of the cheekbone, LaGlam blush on the cheekbone and a touch of La Lumiere illuminate just above! Now add some La Lumiere under the end of the brow too and anywhere you want illuminated—simply stunning!

Illuminate/Bronzer

\$45 RRP

“La Bronze” is a gorgeously toned bronzer offering the perfect sun kissed glow! “La Lumiere” is a luxurious illuminate to polish off your makeup and illuminate from every angle! Two “must-have” products for every makeup lover! Suitable for all skin types. Apply lightly and gradually build up to reach your desired effect. There’s even a brush in the under compartment for easy application and use on the go!

La Lumiere

La Bronze

Femme Fatale
Fibre Lash
Mascara

\$40 RRP

Amplify the volume with LaGlam's Femme Fatale Fibre Lash Mascara! Achieve long lashes pumped full of volume by simply combing the mascara wand through the lashes and the fibres will attached as you coat! Be sure to add a few coats to really lock those amazing lashes in. In addition to this it's water resistant! Now you can have the false lash look with out all the fuss! This product is NOT 100% mineral due to its water resistant ingredients but is 100% fabulous!

Chandelier Cream
Highlighter

\$30 RRP

LaGlam Minerals Chandelier offers the perfect amount of glow in all the right places! With a smooth cream formula that offers even coverage every time, now everyone can get their highlighted game on point!

Tip

Never apply over wrinkles as it will highlight, instead apply a blended touch to the apples of cheeks on more mature skin for a youthful glow!

Flirt

Foxy

Siren

Vixen

Model wears LumiGlow and Foto-Finish foundations in shade Waikiki 04. Brunette Spice brow beauty and Flirt lipstick along with Chandelier highlighter and Doll Face blush.

Eye Shadow

\$28 RRP

Be a natural bridal beauty or a smokin' hot runway model in these shadows with intense pigment! These shadows are so versatile that you can use them anywhere, as an eye shadow, blush, or body shimmer! They also last a long time as a little goes a long way. Tap on for a shimmer or blend for a matte look!

Tip

When using a dark colour (smokey) eye shadow it's recommended to put some loose setting powder underneath the eye to catch the darker excess powder that may fall in application so it can easily be swept off the skin without leaving dark marks under the eye and ruining your base.

Doll Face

Porcelain Rose

Tickled Pink

Sweet Cheeks

Blush

\$45 RRP

For that beautiful flush of colour, the red carpet celebrity glow, soft and pretty or maybe a bit cheeky? You can't go past these 4 stunning blush colours - an asset for any LaGlam girl! Apply lightly and gradually build up to reach your desired effect.

Tip

Remember a little goes a long way! Tap your brush first to rid any excess then start from the top of your cheekbone near the top of your ear and work your way down across to the apples of your cheek!

Highlighter Glitterbug

\$30 RRP

This adds that extra touch of GLAM to your look! Use to highlight everywhere you want light to be attracted; the cupid's bow (lip), the arch of your brow, the cheek bone etc. This is a must have for that extra GLAM factor!

Colossal Pencil

\$30 RRP

Create the ultimate smokey eye! Unbelievable staying power and a soft creamy finish that makes it so easy to apply and enhance the eyes or brows. Use as an eyeliner, cream eye shadow or brow pencil. Made of 100% minerals.

Available in Siren Smudge (Black) and Sultry Nights (Brown).

Tip

Add two coats of mascara then once you finish your makeup come back for another coat for that extra GLAM! Start at the base of the lashes working the brush left to right then up the lash. Always coat the bottom lashes first before the top so you don't then look up and get mascara on your top lids!

Mascara - Blackwater

\$35 RRP

We believe you'll love the intense colour of Blackwater mascara! So smooth, never clumpy! This product is NOT 100% mineral due to its waterproof ingredients but is 100% fabulous!

Model wears 2in1 wet/dry mineral powder foundation in shade Walkiki 04 Porcelain Rose blush and Chandelier highlighter along with Vanity Fare from the Salon Signature range. Blonde Sugar brow beauty.

LaGlam Minerals Pro Brush Set

\$120 RRP

Expert quality 12 piece quality brush set made with a combination of goat, pony and synthetic hairs. Encased in a beautifully sleek, easy travel case that opens up so brushes stand making them easier to access no matter where you are applying! Brushes should be cleaned regularly with shampoo and warm water. Be careful to only wet the hair and not get water inside the brush handle.
