

Slanted Design Ankle Boots

Ankle mini boots with a high front and low back, embody a minimalist and classic style. The suede upper fulfills fashionable design concepts, offering breathability and comfort for your feet.

LIGHTWEIGHT AND DURABLE PLATFORM

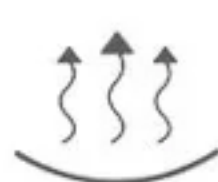

The boots are made of a combination of EVA foam and rubber material, offering a comfortable wearing experience, as well as excellent performance in terms of durability, slip resistance, and lightweight.

EVA Material

Wear-resistant

Shock-absorbing

Australian Genuine Sheepskin

Crafted with the finest Australian Merino sheepskin, the 18mm length wool provides thickness, density, fluffiness, and softness. Your feet will stay comfortably warm throughout the day, ensuring a soft and cozy winter experience.
