www.petwaypetcare.com.au

Petway Petcare Pty Ltd has been manufacturing and distributing Premium Grade Petcare Products since 1988. Our products are proudly Australian Made and Australian Owned.

Petway Petcare Grooming Products, Woof & Meow Grooming Products and Cotex Flea & Tick Kill Products are naturally based, bio-degradable and environmentally responsible. They are formulated with natural essential oils and herbal extracts of natural origin and are pH balanced for animals sensitive skin.

Our shampoo ranges include products that are Soap, Paraben, Phosphate, Sulphate, Silicone and DEA free.

We only use premium cosmetic grade raw ingredients and purified water to ensure all of our products provide peak performance. As a result, less product is required to achieve superior grooming or flea and tick kill results compared with many others.

Our shampoos are highly concentrated and you will achieve amazing results using only small amounts of shampoo when diluted in warm water.

Our manufacturing facility is Australian Pesticides & Veterinary Medicines Authority (APVMA) registered and is ISO 9001 Quality Assurance Accredited. We have professional quality control measures in place to ensure premium products are delivered to our customers. Our Research & Development team is continuously working to develop new products and ensure we remain an industry leader with regards to the latest proven ingredients and products.

We distribute premium grooming accessories including Pet + Me Swiss Made Silicone Brushes and Colour Magik Pet Sprays which are a water based spray on and wash off colour spray. Their unique flairoso dispenser offers aerosol quality spray without the nasty propellant gases. We also supply a range of Australian Made, all natural treats.

Our products are widely used by Pet Industry professionals and home groomers throughout Australia, New Zealand, Asia and USA.
